<b>COUNTY CLERK - RECORDS MANAGEMENT</b>										
DIGITIZE PERMANENT COUNTY RECORDS Scanning and digitizing of permanent paper records for county departments. Currently over 14,000 boxes of records are housed. Each year about 750 boxes are destruction but 900 boxes are received for storage. With the limits on space, scanning makes them easily accessible to the departments as well as conserving of storage space. By doing these projects in-house with our vendor scanners, we are allowed the flexibility to work on new projects as needed or in emergency situations. DIGITIZE PERMANENT COUNTY RECORDS Scanning and digitizing of permanent paper records for county departments. The current Records Center, houses over 14,000 boxes of records. Each year the Clerk's Office sends about 750 boxes for destruction and brings in about 900 boxes for storage. With the limits on space, scanning makes them easily accessible to the departments as well as conserving of storage space. By doing these projects in-house with our vendor scanners, we are allowed the flexibility to work on new projects as needed or in emergency situations.
