Battle of the Belts Competition

- Teams race to see who can buckle up the fastest
- Raises awareness about the importance of buckling up and seeks to change teen attitudes about seat belt use

Safety Belt Demonstrations by the NYS Police

- Understand the consequences of not wearing a seat belt by watching a roll-over crash
- Feel the effects of a 7 mph crash by riding the "Convincer"

Distracted Driving Exercises

- Learn the dangers of multi-tasking behind the wheel with the Distract-A-Match® game and AT&T's wheel and pedal simulators

Impaired Driving Simulation

- Wear Fatal Vision® goggles and discover how drugs and alcohol can affect your ability to perform simple tasks

Jonathon Against Drunk Driving

- Jonathon shares his story about when he was hit by a drunk driver in 1998 and suffered a severe traumatic brain injury and the deficits he still lives with today

Let's Not Meet By Accident – UHS

- Learn about what happens AFTER the crash, the rescue process, medical care of the victims and the possible trauma and lifelong injuries on the body

NYS Traffic Safety Resource Prosecutor

- Hear from one of New York's leading prosecutors about the consequences of distracted, impaired, and aggressive driving
