

Is it still
**HOME
SWEET
HOME**

**or have things at
home gone sour?**

- Is someone you are living with making you feel uneasy?
- Do they threaten to place you in a nursing home?
- Do they use more of your money than you think they should?
- Do they drink too much or use illegal drugs?
- Are you fearful when they have been drinking?
- Are you afraid to tell anyone because you don't want to be taken from your home?
- Are you afraid of being physically injured or punished?
