CERTIFICATION

COUNTY OF BROOME

Office of the Clerk of the Legislature

I, **Aaron Martin** , Clerk of the Broome County of Legislature, hereby certify that the chapters contained in this volume are based upon the original legislation of a general and permanent nature of the County Legislature of the County of Broome, and that said legislation, as revised and codified, renumbered as to sections and rearranged into chapters, constitutes the Charter and Code of the County of Broome, State of New York, as adopted by local law of the County Legislature on December 19, 2013.

Given under my hand and the Seal of the County of Broome, State of New York, this ____ day of _____, at the municipal offices of the County of Broome.

s/Aaron Martin

County Clerk

PREFACE

The County of Broome has, over the years, passed through a process of legislative change common to many American communities. While only a few simple laws were necessary at the time of the establishment of the County, subsequent growth of the community, together with the complexity of modern life, has created the need for new and more detailed legislation for the proper function and government of the County. The recording of local law is an aspect of municipal history, and as the community develops and changes, review and revision of old laws and consideration of new laws, in the light of current trends, must keep pace. The orderly collection of these records is an important step in this ever-continuing process. Legislation must be more than mere chronological enactments reposing in the pages of old records. It must be available and logically arranged for convenient use and must be kept up-to-date. It was with thoughts such as these in mind that the County Legislature ordered the following codification of the County's legislation.

Contents of Charter and Code

The various chapters of the Charter and Code contain all currently effective legislation of a general and permanent nature enacted by the County Legislature of the County of Broome, including revisions or amendments to existing legislation deemed necessary by the County Legislature in the course of the codification.

Organization of the Publication

This publication is divided into three major divisions. The first division includes the Charter of the County. The second division includes the Administrative Code of the County. The third division includes all legislation of a general and permanent nature organized as Parts I and II. Part I, Administrative Legislation, contains all County legislation of an administrative nature additional to that contained in the Broome County Administrative Code, such as that dealing with the administration of government, that establishing or regulating municipal departments and that affecting officers and employees of the municipal government and its departments. Part II, General Legislation, contains all other County legislation of a regulatory nature. Items of legislation in this part generally impose penalties for violation of their provisions, whereas those in Part I do not.

Table of Contents and Grouping of Legislation

The Table of Contents details the arrangement of material alphabetically by chapter as a means of identifying specific areas of legislation. Wherever two or more items of legislation have been combined by the editor into a single chapter, the use of article designations has preserved the identity of the individual enactments, and the titles of the articles are listed beneath the chapter title in order to facilitate location of the individual enactments.

BROOME COUNTY CHARTER AND CODE

Reserved Chapters

Unassigned chapter numbers do not appear in the Table of Contents but are available for assignment to new enactments. In this manner, new subject matter can be included alphabetically.

Pagination

A unique page-numbering system has been used in which each chapter forms an autonomous unit. The first page of each chapter is the number of that chapter followed by a colon and the numeral "1." Thus, Chapter 6 would begin on page 6:1. By use of this system, it is possible to add or to change pages in any chapter, or add new chapters, without affecting the sequence of subsequent pages.

Numbering of Sections

A chapter-related section-numbering system is employed in which the section number indicates the number of the chapter and the location of the section within that chapter. Thus, the first section of Chapter 30 would be § 30-1, while the sixth section of Chapter 57 would be § 57-6.

Scheme

The scheme is the list of section titles that precedes the text of each chapter. These titles are carefully written so that, taken together, they may be considered as a summary of the content of the chapter. Taken separately, each describes the content of a particular section. For ease and precision of reference, the scheme titles are repeated as section headings in the text.

Histories

At the end of the Scheme (list of section titles) in each chapter is located the legislative history for that chapter. This History indicates the specific legislative source from which the chapter was derived, including the enactment number, if pertinent, and the date of adoption. In the case of chapters containing parts or articles derived from more than one item of legislation, the source of each part or article is indicated in the text, under its title. Amendments to individual sections or subsections are indicated by histories where appropriate in the text.

General References; Editor's Notes

In each chapter containing material related to other chapters in the Charter and Code, a table of General References is included to direct the reader's attention to such related chapters. Editor's Notes are used in the text to provide supplementary information and cross-references to related provisions in other chapters.

PREFACE

Appendix

Certain forms of local legislation are not of a nature suitable for inclusion in the main body of the Charter and Code but are of such significance that their application is community-wide or their provisions are germane to the conduct of municipal government. The Appendix of this publication is reserved for such legislation and for any other material that the community may wish to include.

Derivation Table

In order to assist Charter and Code users in the transition to the new Charter and Code's organization, the Derivation Table indicates where chapters and articles of the 1991 Charter and Code have been included in the 2013 Charter and Code, or the reason for exclusion.

Disposition List

The Disposition List is a chronological listing of legislation, indicating its inclusion in the publication or the reason for its exclusion. The Disposition List will be updated with each supplement to the Charter and Code to include the legislation reviewed with said supplement.

Index

The Index is a guide to information. Since it is likely that this publication will be used by persons without formal legal training, the Index has been formulated to enable such persons to locate a particular section quickly. Each section of each chapter has been indexed. The Index will be supplemented and revised from time to time as new legislation is added.

Instructions for Amending the Charter and Code

All changes to the Charter and Code, whether they are amendments, deletions or additions, should be adopted as amendments to the Charter and Code. In doing so, existing material that is not being substantively altered should not be renumbered.

Adding new sections. Where new sections are to be added to a chapter, they can be added at the end of the existing material (continuing the numbering sequence) or inserted between existing sections as decimal numbers (e.g., a new section between §§ 65-5 and 65-6 should be designated § 65-5.1).

Adding new chapters. New chapters should be added in the proper alphabetical sequence in the appropriate division or part (e.g., Part I, Administrative Legislation, or Part II, General Legislation), utilizing the reserved chapter numbers. New chapter titles should begin with the key word for the alphabetical listing (e.g., new legislation on abandoned vehicles should be titled "Vehicles, Abandoned" under "V" in the Table of Contents, and a new enactment on coin-operated amusement devices should be "Amusement Devices" or "Amusement Devices, Coin-Operated" under "A" in the Table of Contents). Where a reserved number is not available, an "A" chapter should

BROOME COUNTY CHARTER AND CODE

be used (e.g., a new chapter to be included between Chapters 166 and 167 should be designated Chapter 166A).

Adding new articles. New articles may be inserted between existing articles in a chapter (e.g., adding a new district to the Zoning Regulations) by the use of "A" articles (e.g., a new article to be included between Articles XVI and XVII should be designated Article XVIA). The section numbers would be as indicated above (e.g., if the new Article XVIA contains six sections and existing Article XVI ends with § 166-30 and Article XVII begins with § 166-31, Article XVIA should contain §§ 166-30.1 through 166-30.6).

Supplementation

Supplementation of the Charter and Code will follow the adoption of new legislation. New legislation or amendments to existing legislation will be included and repeals will be indicated as soon as possible after passage. Supplemental pages should be inserted as soon as they are received and old pages removed, in accordance with the Instruction Page which accompanies each supplement.

Acknowledgment

The assistance of the County officials is gratefully acknowledged by the editor. The codification of the legislation of the County of Broome reflects an appreciation of the needs of a progressive and expanding community. As in many other municipalities, officials are faced with fundamental changes involving nearly every facet of community life. Problems increase in number and complexity and range in importance from everyday details to crucial areas of civic planning. It is the profound conviction of General Code that this publication will contribute significantly to the efficient administration of local government. As Samuel Johnson observed, "The law is the last result of human wisdom acting upon human experience for the benefit of the public."

Within the limits prescribed in Article 4 of the Municipal Home Rule Law, wherever and whenever any state law, general, special or local in effect, conflicts with this Charter or is inconsistent therewith, such law shall be deemed, to the extent of such conflict or inconsistency, to be superseded by this Charter and Administrative Code insofar as the County of Broome and its government are affected.

§ C104. Charter effect on local laws, ordinances and resolutions.

All laws, including resolutions, ordinances and local laws, heretofore adopted which are contrary to or inconsistent with the provisions of this Charter are hereby repealed. All of the laws of the state relating to the towns, cities, villages or districts of the County of Broome shall continue in full force and effect except to the extent that such laws have been repealed,

A local law is a law adopted pursuant to this Charter within the power granted by the State Constitution, act of the Legislature or provision of this Charter and shall not include a resolution, ordinance or legalizing act.

The County Legislature may adopt, amend or repeal a local law. A local law shall be passed by not less than a majority of the whole number of members of the County Legislature and may relate to property, affairs and government of the County or any other subject matter of County concern. If a local law amends a specific state statute or specific local law, the matter to be eliminated shall be enclosed in brackets or parenthesis and the new matter underscored or italicized.

Except as may otherwise be provided in this Charter, the procedure for the adoption of a local law, including referendum, mandatory or permissive, shall be as provided in Articles 3 and 4 of the Municipal Home Rule Law.

Such certified copy shall contain the text only of the local law without the brackets and the matter within the brackets, or the italicizing or underscoring, if any, to indicate the changes made by it. At the same time, the Clerk of the County Legislature shall cause to be published at least once as a County charge in the designated newspaper of general circulation published in the County a notice that such local law was adopted, a brief description of such local law and that the full text of such local law may be examined during regular business hours in the office of the Clerk of the County Legislature, provided that failure to do so shall not affect the validity of such local law.

§ C210. Referendum.

A local law shall be subject to mandatory or permissive referendum when required by this Charter or applicable law. Where no mandatory or permissive referendum is so required, the County Legislature may nevertheless provide in a local law that a referendum shall be had or that it shall be subject to permissive referendum.

Ordinances may be adopted by the County Legislature, and the procedure shall be the same as herein provided for the adoption of local laws, except that an ordinance shall not be subject to referendum, mandatory or permissive, except also for any filing requirements. Such ordinance may provide for its enforcement by legal or equitable proceedings in a court of competent jurisdiction, may prescribe that violations thereof shall constitute offenses or misdemeanors and may provide for punishment of violations by civil penalty or by fine or imprisonment or by two (2) or more such penalties or punishments. Ordinances and their

application, including particular subjects and form, may be further provided in the Administrative Code.

§ C608. Levy of taxes; inclusion of reserve for uncollected taxes.

The net County tax requirement determined by subtracting the total estimated revenues from the total proposed expenditures as set forth in the adopted budget shall be levied in advance by the County Legislature on the taxable real property of the several tax districts of the County. The taxes so levied shall include an amount to be known as "reserve for uncollected taxes," which shall be a County charge. The County Legislature shall fix the amount of such a sum as it may deem sufficient to produce in cash from the collection of taxes and other revenues during the year monies required to meet the estimated expenditures of such year; provided, however, that such reserve for uncollected taxes shall be not less than the face amount of unpaid taxes for the preceding completed fiscal year.

The amount of all taxes, special ad valorem levies and special assessments levied upon any parcel of real property by the County Legislature shall, except as otherwise expressly provided by law, be and become a lien thereon as of the first day of January of the fiscal year for which levied and shall remain a lien until paid.

18. Editor's Note: This local law provided an effective date of 1-1-2011.

§ C609. Appropriations; supplemental and emergency.

If during any fiscal year there are available for appropriation revenues received from sources not anticipated in the budget for that year or revenues received from anticipated sources but in excess of the budget estimated therefor, the County Legislature may make supplemental appropriations for the year, not in excess, however, of such additional revenues.

§ C610. Appropriations; reduction and transfer after budget adoption. [Amended 3-31-1987 by L.L. No. 2-1987; 12-16-2010 by L.L. No. 1-2011]

If at any time during the fiscal year it appears that the revenues available will be insufficient to meet the amounts appropriated, the County Executive shall report to the County Legislature without delay the estimated amount of the deficit, remedial action taken by him and his recommendations as to further action. The County Legislature shall take such action as it deems necessary to prevent or minimize any deficit. For that purpose, it may, by resolution, reduce one (1) or more appropriations; but no appropriation for debt service may be reduced, and no appropriation may be reduced by more than the unencumbered balance thereof or below any amount required by law to be appropriated. The Legislature may also, if it so desires, borrow temporarily pursuant to the Local Finance Law in any amount not greater than such deficit for that purpose.

The County Executive may, at any time during the fiscal year, transfer part or all of any unencumbered appropriation balance between classifications of expenditures within the same administrative unit, provided that prior approval by resolution of the County Legislature shall be required if the proposed transfer would affect any salary rate or salary total, and further provided that prior approval by resolution of the County Legislature shall be required if the proposed transfer would affect the total appropriations for the Broome County Veterans Memorial Arena or the Broome County Performing Arts Theater (The Forum). Transfers within administrative units affecting salary totals in grant budgets shall not require approval of the County Legislature.

If the County Executive so requests in writing, the County Legislature, by resolution effective immediately, may transfer part or all of any unencumbered appropriation balance from one County administrative unit to another or a contingent fund to any administrative unit; provided, however, that no such transfer shall be made from appropriations for debt service, and no appropriation may be reduced below any amount required by law to be appropriated.

§ C611. Certain obligations and payments prohibited.

No payment shall be authorized or made and no obligation incurred against the County except in accordance with appropriations duly made or except as permitted otherwise by the Local Finance Law, provided that this shall not be construed to prevent contracting for capital improvements to be financed by borrowing or entering into any lawful contract or lease providing for the payment of funds beyond the end of the current fiscal year.

§ C612. Performance of acts; scheduling.

Whenever the scheduling of the performance of an act shall be fixed by this article, the same may be changed by the Administrative Code or an amendment thereof.

§ C613. Sale or assignment of tax sale certificates. [Added 8-3-1993 by L.L. No. 11-1993]

Notwithstanding the requirements of the bulk tax sale provisions of the Real Property Tax Law, the County of Broome is hereby authorized and empowered to sell or assign a portion or all of the County's tax sale certificates at private sale without public advertisement or public auction and without regard to the provisions of the Real Property Tax Law relating to the qualifications of bidders.

The County Executive is authorized to negotiate the contracts for sale or assignment of tax sale certificates for a price that reflects market values, interest rates, financing and transactional costs and other pricing factors as negotiated by the County Executive. Any such contract may contain such other covenants, terms and conditions, to the extent permitted by the Real Property Tax Law or otherwise permitted by law, as the County Executive may determine to be necessary to effect the sale or assignment of the tax sale certificates, including, specifically, but without limitation, an obligation by the County to repurchase unredeemed tax sale certificates for a negotiated price at any time prior to the issuance of tax deeds, provided that the repurchase price does not exceed the aggregate face amount of the tax sale certificates repurchased plus accrued interest and penalties to the date of repurchase.

The County Executive is authorized to make, sign, execute and implement all contracts for the assignment or sale of the tax sale certificates negotiated in accordance with the provisions of this section. The Trustees are hereby authorized and empowered to make increases to the college budget in both appropriations and revenues with regard to minicourses when the original authorizations are sufficient to conduct the number of said courses which are offered, provided that the expenses, including overhead, for said minicourses are offset by revenues for said courses.

The filing and publication of local laws shall be as provided by § 27 of the Municipal Home Rule Law, and the Court shall take judicial notice of all local laws and of rules and regulations adopted pursuant thereto.

§ A211. Referendum.

A local law shall be subject to mandatory or permissive referendum when required by the Charter or applicable law. Where no mandatory or permissive referendum is so required, the County Legislature may nevertheless provide in a local law that a referendum shall be had or that it shall be subject to permissive referendum.

§ A212. Effective date.

After adoption, every local law shall become effective when filed in the office of the Secretary of the State of New York or on such later date as may be provided in said local law.

Ordinances may be adopted by the County Legislature, and the procedure shall be the same as herein provided for the adoption of local laws, except that an ordinance shall not be subject to referendum, mandatory or permissive, and except for the filing provisions. An ordinance may provide for any subject matter of County concern not required to be provided by local law, legalizing act or resolution of the County Legislature.

Such ordinance may provide for its enforcement by legal or equitable proceedings in a court of competent jurisdiction, may prescribe that violations thereof shall constitute offenses or misdemeanors, and may provide for punishment of said violations by civil penalty or by fine or imprisonment or by two or more such penalties or punishments.

§ A214. Conference expenses.

The Chairman of the County Legislature shall have the power to designate and authorize any member, officer or employee of the Legislative Branch to attend an official or unofficial convention, conference or school for the betterment of County government. Within the appropriations provided therefor and when so authorized, all necessary and actual expenses, including but not limited to registration fees not exceeding the amount fixed by the General Municipal Law and mileage as fixed by the County Legislature, shall be paid from County funds.

§ A215. Travel reimbursement. [Added 2-24-1982 by L.L. No. 1-1982]

(A) The County Legislature may establish a revolving petty cash fund for any administrative unit or subdivision thereof or officer in such amounts as it deems necessary. Any petty cash fund heretofore established by the County Legislature shall be continued in existence as a petty cash fund for the administrative unit or subdivision thereof or officer for which it was established or the successor of such unit or officer created pursuant to the provisions of the Charter and Code. The County Executive shall determine which administrative unit, subdivision or officer shall be considered to be the successor administrative unit, subdivision or officer for the purpose of this section. The County Legislature may increase, decrease or abolish any petty cash fund established or continued pursuant to this section. Any petty cash fund shall otherwise continue in existence from year to year until abolished.

3. Editor's Note: See also Ch. 169, Travel Expenses.

- (B) Expenditure from a petty cash fund may be made only for payment, as authorized by the Comptroller in advance of audit, of properly itemized and verified or certified bills for materials, supplies or services other than regular employment, furnished to the County for the conduct of its affairs, and upon terms calling for payment to the vendor upon the delivery of any such materials or supplies or the rendering of any such services. Moneys in any such fund also may be used for the purpose of making change when such is required in the performance of official duties. Moneys in any such fund established for the offices of the Sheriff, District Attorney or Public Defender may also be used to advance travel funds to personnel of the Sheriff's, District Attorney's or Public Defender's office when required to travel on official business.
- (C) Upon audit of bills, the petty cash fund shall be reimbursed from the appropriate budgetary item or items in the amount equal to the amount audited and allowed. The Comptroller immediately shall notify the Director of Management and Budget, in writing, of the disallowance of any such bills or any portion thereof, stating the amount in each case disallowed and the reason therefor. Any of such bills or any portion thereof as shall be disallowed upon audit shall be the personal liability of the official responsible for the use of the petty cash fund from which payment on account thereof was made. Such official, upon direction of the Comptroller, shall forthwith reimburse the petty cash fund in the amount disallowed. If such reimbursement is not promptly made, the amount thereof shall be deducted from the official's salary by order of the Comptroller and paid into the petty cash fund until repaid in full. **[Amended 8-19-2010 by L.L. If the County Executive so requests in writing, the County Legislature, by resolution effective immediately, may transfer part or all of any unencumbered appropriation balance from one County administrative unit to another or a contingent fund to any administrative unit; provided, however, that no such transfer shall be made from appropriations for debt service and no appropriations may be reduced below any amount required by law to be appropriated.

§ A610. Contingent fund.

The County Legislature, by resolution, subject to veto by the County Executive, may at any time appropriate all or any part of the moneys in the general contingent fund for general County purposes.

§ 50-1. Title.

This chapter shall be known as the "Energize NY Open C-PACE Financing Program."

§ 50-2. Legislative findings; intent and purpose; authority.

- A. It is the policy of both the municipality and the State of New York (the, "state") to achieve energy efficiency and renewable energy improvements, reduce greenhouse gas emissions, mitigate the effect of global climate change, and advance a clean energy economy. The municipality finds that it can fulfill this policy by providing property assessed clean energy financing to qualified property owners (as defined below) for the installation of renewable energy systems and energy efficiency measures. This chapter establishes a program that will allow the Energy Improvement Corporation (as defined below, "EIC"), a local development corporation, acting on behalf of the municipality pursuant to the municipal agreement (the "Municipal Agreement") to be entered into between the municipality and EIC, to make funds available to qualified property owners that will be repaid through charges on the real properties benefited by such funds, thereby fulfilling the purposes of this chapter and accomplishing an important public purpose. This chapter provides a method of implementing the public policies expressed by, and exercising the authority provided by, Article 5-L of the General Municipal Law (as defined below, the "Enabling Act").
- B. The municipality is authorized to execute, deliver and perform the Municipal Agreement and otherwise to implement this Energize NY Open C-PACE Financing Program pursuant to the Constitution and laws of New York, including particularly

§ 50-4. Establishment of Energize NY Open C-PACE Financing Program.

- A. An Energize NY Open C-PACE Financing Program is hereby established by the municipality, whereby EIC, acting on its behalf pursuant to the Municipal Agreement, may arrange for the provision of funds by financing parties to qualified property owners in accordance with the Enabling Act and the procedures set forth under this chapter to finance the acquisition, construction, reconstruction, and installation of qualified projects and eligible costs and financing charges approved by EIC and by the financing party under the finance agreement. EIC, on behalf of the municipality, and with the consent of the benefited property owner, will record a benefit assessment lien on the benefited property in the secured amount (the "benefit assessment lien") on the land records for the municipality. Such recording shall be exempt from any charge,

mortgage recording tax or other fee in the same manner as if recorded by the municipality.

- B. Before a qualified property owner and a financing party enter into a finance agreement which results in a loan to finance a qualified project, repayment of which is secured by a benefit assessment lien, a written consent from each existing mortgage holder of the qualified property shall be obtained, permitting the benefit assessment lien and each annual installment lien to take priority over all existing mortgages.

§ 50-5. Procedures for eligibility.

- A. Any property owner in the municipality may submit an application to EIC on such forms as have been prepared by EIC and made available to property owners on the website of EIC and at the municipality's offices.
- B. Every application submitted by a property owner shall be reviewed by EIC, acting on behalf of the municipality, which shall make a positive or negative determination on such application based upon the criteria enumerated in the Enabling Act and § 50-6 of this chapter. EIC may also request further information from the property owner where necessary to aid in its determination.
- C. If a positive determination on an application is made by EIC, acting on behalf of the municipality, the property owner shall be deemed a qualified property owner and shall be eligible to participate in the Program in accordance with § 50-7 of this chapter.

§ 50-6. Application criteria.

Upon the submission of an application, EIC, acting on behalf of the municipality, shall make a positive or negative determination on such application based upon the following criteria for the making of a financing:

- A. The property owner may not be in bankruptcy and the property may not constitute property subject to any pending bankruptcy proceeding;
- B. The amount financed under the Program shall be repaid over a term not to exceed the weighted average of the useful life of Renewable Energy Systems and Energy Efficiency Improvements to be installed on the property as determined by EIC;
- C. Sufficient funds are available from financing parties to provide financing to the property owner;
- D. The property owner is current in payments on any existing mortgage on the qualified property;
- E. The property owner is current in payments on any real property taxes on the qualified property; and
- F. Such additional criteria, not inconsistent with the criteria set forth above, as the state, the municipality, or EIC acting on its behalf, or other financing parties may set from time to time.

§ 50-7. Energize NY finance agreement.

- A. A qualified property owner may participate in the Program through the execution of a finance agreement made by and between the qualified property owner and a financing party, to which EIC, on behalf of the municipality, shall be a third-party beneficiary (the "finance agreement"). Upon execution and delivery of the finance agreement, the property that is the subject of the finance agreement shall be deemed a "benefited property").
- B. Upon execution and delivery of the finance agreement, the benefited property owner shall be eligible to receive funds from the financing party for the acquisition, construction, and installation of a qualified project, together with eligible costs and financing charges approved by EIC and by the financing party, provided the requirements of the Enabling Act, the Municipal Agreement and this chapter have been met.
- C. The finance agreement shall include the terms and conditions of repayment of the secured amount and the annual installment amounts.
- D. EIC may charge fees to offset the costs of administering the Program and such fees, if not paid by the financing party, shall be added to the secured amount.

§ 50-8. Terms and conditions of repayment.

The finance agreement shall set forth the terms and conditions of repayment in accordance with the following:

- A. The principal amount of the funds loaned to the benefited property owner for the qualified project, together with eligible costs and financing charges approved by EIC and by the financing party, shall be specially assessed against the benefited property and will be evidenced by a benefit assessment lien recorded against the benefited property on the land records on which liens are recorded for properties within the municipality. The special benefit assessment shall constitute a "charge" within the meaning of the Enabling Act and shall be collected in annual installments in the amounts certified by the financing party in a schedule provided at closing and made part of the benefit assessment lien. Said amount shall be annually levied, billed and collected by EIC, on behalf of the municipality, and shall be paid to the financing party as provided in the finance agreement.
- B. The term of such repayment shall be determined at the time the finance agreement is executed by the benefited property owner and the financing party, not to exceed the weighted average of the useful life of the systems and improvements as determined by EIC, acting on behalf of the municipality.
- C. The rate of interest for the secured amount shall be fixed by the financing party in conjunction with EIC, acting on behalf of the municipality, as provided in the finance agreement.

§ 50-9. Levy of annual installment amount and creation of annual installment lien.

- A. Upon the making of the loan pursuant to the finance agreement, the secured amount shall become a special benefit assessment lien on the benefited property in favor of the municipality. The amount of the benefit assessment lien shall be the secured amount. Evidence of the benefit assessment lien shall be recorded by EIC, on behalf of the municipality, in the land records for properties in the municipality. Such recording shall be exempt from any charge, mortgage recording tax or other fee in the same manner as if recorded by the municipality. The benefit assessment lien shall not be foreclosed upon by or otherwise enforced by the municipality.
- B. The finance agreement shall provide for the repayment of the secured amount in installments made at least annually, as provided in a schedule attached to the benefit assessment lien (the "annual installment amount"). The annual installment amount shall be levied by EIC, on behalf of the municipality, on the benefited property in the same manner as levies for municipal charges, shall become a lien on the benefited property as of the first day of January of the fiscal year for which levied (the "annual installment lien") and shall remain a lien until paid. The creation or any recording of the annual installment lien shall be exempt from any charge, mortgage recording tax or other fee in the same manner as if recorded by the municipality. Payment to the financing party shall be considered payment for this purpose. Such payment shall partly or wholly discharge the annual installment lien. Delinquent annual installment amounts may accrue financing charges as may be provided in the finance agreement. Any additional financing charges imposed by the financing party pursuant to the finance agreement shall increase the annual installment amount and the annual installment lien for the year in which such overdue payments were first due.
- C. The benefit assessment lien shall be reduced annually by the amount of each annual installment lien when each annual installment lien becomes a lien. Each annual installment lien shall be subordinate to all municipal liens, whether created by § 902 of the RPTL or by any other state or local law. No portion of a secured amount shall be recovered by the municipality, EIC, or an assignee upon foreclosure, sale or other disposition of the benefited property unless and until all municipal liens are fully discharged. Each annual installment lien, however, shall have priority over all nonmunicipal liens, irrespective of when created, except as otherwise required by law.
- D. Neither the benefit assessment lien nor any annual installment lien shall be extinguished or accelerated in the event of a default or bankruptcy of the benefited property owner. Each annual installment amount shall be considered a charge upon the benefited property and shall be collected by EIC, on behalf of the municipality, at the same time and in the same manner as real property taxes or municipal charges. Each annual installment lien shall remain a lien until paid. Amounts collected in respect of an annual installment lien shall be remitted to EIC, on behalf of the municipality, or the financing party, as may be provided in the finance agreement.
- E. EIC shall act as the municipality's agent in collection of the annual installment amounts. If any benefited property owner fails to pay an annual installment amounts, the financing party may redeem the benefited property by paying the amount of all unpaid municipal liens thereon, and thereafter shall have the right to collect any amounts in respect of an annual installment lien by foreclosure or any other remedy

available at law. Any foreclosure shall not affect any subsequent annual installment liens.

- F. EIC, on behalf of the municipality, may sell or assign for consideration any and all benefit assessment liens and annual installment liens to financing parties that provide financing to Qualified Properties pursuant to finance agreements. The financing parties may sell or assign for consideration any and all benefit assessment liens and annual installment liens received from EIC, on behalf of the municipality, subject to certain conditions provided in the administration agreement between EIC and the financing party. The assignee or assignees of such benefit assessment liens and annual installment liens shall have and possess the same powers and rights at law or in equity as the municipality would have had if the benefit assessment lien and the annual installment liens had not been assigned with regard to the precedence and priority of such lien, the accrual of interest and the fees and expenses of collection.

§ 50-10. Verification and report.

EIC, on behalf of the municipality, shall verify and report on the installation and performance of Renewable Energy Systems and Energy Efficiency Improvements financed by the Program in such form and manner as the authority may establish.

§ 50-11. Severability.

If any clause, sentence, paragraph, section, or part of this chapter shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section, or part thereof involved in the controversy in which such judgment shall have been rendered.

Notwithstanding any other provision of law to the contrary, no other penalty, civil or criminal, may be imposed for a failure to file or for a false filing of such statement, except that the appointing authority may impose disciplinary action as otherwise provided by law.

Such rules, which shall not be subject to the approval requirements of the State Administrative Procedure Act, shall provide for due process procedural mechanisms substantially similar to those set forth in such Article III, but such mechanisms need not be identical in terms or scope. Assessment of a civil penalty or the Board of Ethics' denial of such a request shall be final, unless modified, suspended or vacated within 30 days of imposition, with respect to the assessment of such penalty, or unless such denial of a request is reversed within such time period and, upon becoming final, shall be subject to review at the insistence of the affected reporting individuals in a proceeding commenced against the Board of Ethics pursuant to Article 78 of the Civil Practice Law and Rules of the State of New York.

The Department of Information Technology has access to all mail and user access requests and will monitor messages as necessary or as requested by department heads to assure efficient performance and appropriate use. Messages relating to or in support of activities will be reported to the appropriate authorities.
- C. Any correspondence sent outside of the County network (over online services) will go through numerous unprotected computer systems. Notice is hereby given that there are

LIGHT DUTY — Those regular duties which a deputy is capable of performing.

REGULAR DUTY — Those duties which a deputy sheriff or corrections officer may be called upon to perform in the regular course of his employment.

RISK MANAGER — The duly appointed Manager of Risk and Insurance of Broome County.

SECTION 207-C BENEFITS — The benefits provided pursuant to § 207-c of the General Municipal Law.

SHERIFF — The individual lawfully holding the office of Sheriff of Broome County.

§ 150-6. Construal of provisions.

This article shall not be construed to limit or repeal additional requirements imposed by statute or otherwise, nor to modify collective bargaining agreements.

§ 150-7. Compliance.

Failure of a deputy to comply with the lawful direction of the Risk Manager or Sheriff issued by them in the administration of this article or of the General Municipal Law, or failure of a deputy to provide the Risk Manager with relevant information with respect to his investigation of the deputy's claim, shall be presumptive evidence of the deputy's unwillingness to cooperate with the Risk Manager in the processing of such deputy's claim.

§ 150-8. Incident reports.

A deputy who is injured in the performance of his duties or who is taken sick as a result of the performance of his duties shall serve an incident report upon the Risk Manager within five calendar days after the incident causing such injury or, in the case of sickness arising out of the deputy's duties, within five calendar days of the onset of the sickness, and also in case of the death of the deputy resulting from such injury or sickness, within five calendar days after such death. Such report shall be made by any deputy claiming to be so injured or taken sick or, in case the deputy is incapable of doing so due to physical or mental disability or death, by a person on his behalf. The report shall be in writing, contain the name and address of the deputy and state in ordinary language the time, place, nature and cause of the injury and any other information requested by the Risk Manager, and shall be verified by the deputy or by the person serving the report on his behalf, or in the case of death, by any one or more of his dependents or by a person on their behalf. Failure to serve a timely report, unless excused by the Risk Manager either on the ground that notice for some sufficient reason could not have been given, or the ground that the Sheriff had knowledge of the accident, sickness or death, or on the ground that the Sheriff and County have not been prejudiced thereby, shall be a bar to any claim.

§ 150-9. Determination of eligibility.

The Risk Manager shall have exclusive authority to initially determine the eligibility for § 207-c benefits of all deputies. After a determination is made by the Risk Manager, the Risk Manager shall forthwith serve a written notice thereof to the deputy at the address specified in the incident report, setting forth the basis of the determination. If the Risk Manager determines that the deputy is not eligible for § 207-c benefits or that the deputy is entitled to

some but not all § 207-c benefits claimed by the deputy, said notice shall also inform the deputy that, at any time within 30 days of service of said notice, the deputy may serve a written demand for a hearing reevaluating the determination.

§ 150-10. Light duty.

- A. If a deputy receiving § 207-c benefits is not eligible for or is not granted a New York State accidental or ordinary disability retirement and the Sheriff, after receiving an opinion from the deputy's treating physician, County health authorities or any physician appointed by the County for the purpose of treating or examining the deputy that the deputy is unable to perform his regular duties as a result of an eligible injury or sickness but is capable of performing specified types of light duties, determines that such deputy is capable of such light duty assignment, the Sheriff shall order the deputy to report for available light duty.
- B. Said order shall be in writing, shall specify the time and date the deputy is to report, and shall briefly describe the nature of the light duty assigned. The date the deputy shall be ordered to report for light duty shall be at least five calendar days after service of the written order upon the deputy. The order shall also inform the deputy that payment of the full amount of his regular salary or wages pursuant to § 207-c of the General Municipal Law shall be terminated as of the day the deputy is scheduled to report for light duty and that, at any time within 30 days after service of said order, the deputy may serve a written demand for a hearing reevaluating the order.

§ 150-11. Regular duty.

- A. If the Sheriff, after receiving an opinion from the deputy's treating physician, County health authorities or any physician appointed by the County for the purpose of treating or examining the deputy that the deputy is capable of performing his regular duties, determines that such deputy is capable of performing his regular duties, the Sheriff shall order the deputy to report for regular duties.
- B. Said order shall be in writing and shall specify the time and date the deputy is to report. The date the deputy shall be ordered to report to duty shall be at least five calendar days after service of the written order. The order shall also inform the deputy that payment of the full amount of his regular salary or wages pursuant to § 207-c of the General Municipal Law shall be terminated as of the day the deputy is scheduled to report for regular duty and that, at any time within 30 days after service of said order, the deputy may serve a written demand for a hearing reevaluating the order.

§ 150-12. Renewed disability.

- A. If a deputy returns to light or regular duties subsequent to a period of absence from duty necessitated by an injury or sickness incurred in the performance of his duties and later claims that he is incapable of performing those duties due to the same injury or sickness which necessitated the prior absence from duty, the deputy shall serve a report of renewed disability with the Risk Manager within five calendar days of the onset of the

renewed disability. Such report shall be made by any deputy claiming renewed disability and entitlement to § 207-c benefits or, in the case that the deputy is incapable of doing so due to physical or mental disability, by a person on his behalf. The report shall be in writing, contain the name and address of the deputy, and state in ordinary language the nature of the injury or sickness claimed, the original date of said injury or sickness, the nature of his current difficulties, the tasks the deputy is incapable of performing, the date or dates the deputy claims to have been disabled from performing the assigned duties and any other information requested by the Risk Manager and shall be verified by the deputy or by the person filing on his behalf or, in case of death, by any one or more of his dependents or by a person on their behalf.

- B. The Risk Manager shall have exclusive authority to initially determine whether the deputy is capable of the assigned duties. However, if a deputy contested the original order to return to light duties or regular police duties and the deputy was unsuccessful, the deputy shall not be entitled to a reevaluation of his disability, including a hearing and court review, unless he provides the Risk Manager with current medical reports to the effect that his condition has substantially worsened since the time he was originally ordered to report to light or regular duties and that the deputy is disabled from performing his assigned duties. Conditions precedent to such a deputy's entitlement to his regular salary or wages pursuant to § 207-c of the General Municipal Law are that the deputy's condition has substantially worsened since the time he was originally ordered to return to light or regular duties and that the deputy is now not capable of performing the duties assigned or other light duties which the Sheriff may assign. A condition precedent to entitlement to regular salary or wages pursuant to § 207-c of the General Municipal Law for a deputy who did not contest the original order to return to light duties or regular duties is that the deputy is not now capable of the duties assigned or other light duties which the Sheriff may assign.

§ 150-13. Status pending determinations; reimbursements.

- A. Pending the final determination of an application, an assignment of light duty, an order to return to regular duty or any order or directive affecting eligibility for continued § 207-c benefits, time taken off by the deputy and alleged to be attributable to the injury or sickness which gave rise to the disability which is the subject of the pending determination may be charged to accumulated sick leave and/or vacation time in accordance with the negotiated labor agreement or, if a claim has been made by the deputy or on his behalf to the Workers' Compensation Board alleging a disability compensable under the Workers' Compensation Law and said claim is still pending or a final determination has been made that the deputy is disabled pursuant to the Workers' Compensation Law and the deputy has exhausted all vacation time and sick leave, the deputy shall have the status of an employee absent from work pursuant to the Workers' Compensation Law. In the case where a claim has been made to the Workers' Compensation Board and said claim is still pending or a final determination has been made that the deputy is disabled pursuant to the Workers' Compensation Law but the deputy has not exhausted all sick leave and vacation time, the deputy may elect, by serving written notice upon the Risk Manager, not to have the time off charged to remaining sick time or vacation leave but rather to have the status of an employee absent from work pursuant to the Workers' Compensation Law.

- B. After the exhaustion of the deputy's sick leave and vacation time and provided that the deputy is not receiving or is not eligible to receive benefits pursuant to the Workers' Compensation Law, the Risk Manager may, in his discretion, direct the payment of an amount no greater than the deputy's salary or wages pending a determination of eligibility upon a showing of hardship, if the application, in the opinion of the Risk Manager, indicates a preliminary likelihood of eligibility. Such payments may continue until such time as a determination is made by the Risk Manager or until the deputy receives or is eligible to receive benefits pursuant to the Workers' Compensation Law. The Risk Manager may, in his discretion, discontinue said payments at any time. If the Risk Manager directs such payments to be made but there is a determination of ineligibility and all opportunities for appeal have been exhausted or waived, the moneys paid to the deputy shall be refunded to the County. The County may commence a civil action to recover said amounts or make deductions equal to the amount paid the deputy from the deputy's accumulated vacation time or from future salary and wages.
- C. If a determination is made that the deputy is eligible for § 207-c benefits and all opportunities for appeal of the determination have been exhausted or waived, the deputy shall be so categorized and shall be credited with any sick leave and/or vacation time charged during the period for which it is determined that the deputy is entitled to the full amount of his regular salary or wages pursuant to § 207-c of the General Municipal Law. Any adjustments in benefits resulting from the reimbursement of vacation time or sick leave shall be made. Additionally, upon such a determination of eligibility, the deputy shall be reimbursed retroactively for all periods of disability less any discretionary advances allowed by the Risk Manager, any disability payments received pursuant to the Workers' Compensation Law, and any payments received by the deputy and originally charged to vacation time or sick leave. Such benefits shall continue so long as the deputy remains eligibly disabled or until otherwise terminated pursuant to law.

§ 150-14. Treatment or examinations by County-assigned physicians.

- A. After a determination has been made that an injury or sickness of a deputy was incurred in the performance of his duties, the Risk Manager may require the deputy to be attended by County health authorities or by any physician appointed by the Risk Manager for the purpose of providing medical, surgical or other health-related treatment.
- B. At any time during the pendency of a claim, the Risk Manager may require the deputy to be examined and inspected by County health authorities or by any physician appointed by the Risk Manager.
- C. The deputy so treated or examined shall be entitled to copies of all medical reports submitted by the County health authorities or physicians appointed by the Risk Manager regarding said treatment or examination.
- D. If the deputy shall refuse to accept medical treatment or hospital care or shall refuse to permit medical examinations as herein authorized, the deputy shall be deemed to have waived his rights to § 207-c benefits, and the Risk Manager shall immediately discontinue said § 207-c benefits for the deputy. Upon such a discontinuation of benefits, the Risk Manager shall forthwith serve a notice thereof to the deputy and inform the

deputy that, at any time within 30 days of service of said notice, the deputy may serve a written demand for a hearing evaluating the discontinuation of benefits.

§ 150-15. Hearings; Hearing Officer.

- A. Upon timely service of a written demand for a hearing, a hearing before a hearing officer shall be scheduled as soon as practicable. The deputy shall be given at least 10 days' written notice of the hearing. The Hearing Officer may adjourn the hearing for good cause.
- B. The Hearing Officer shall be an impartial person appointed by the County Executive.
- C. All hearings shall be conducted in an orderly manner in order to ascertain the substantial rights of the deputy, the Sheriff and the County. The deputy, the Sheriff and the County shall be afforded an opportunity to present evidence and arguments on all issues involved and cross-examine all witnesses who have testified. All witnesses shall testify under oath, or by affirmation, and a stenographic record of the proceedings shall be kept. The Hearing Officer may question any party or witness. The Hearing Officer shall not be bound by common law or statutory rules of evidence or by technical or formal rules of procedure.
- D. Each party has the right to representation at his own expense.
- E. The stenographic record of the hearing shall not be transcribed except upon request. The cost of transcription shall be borne by the party requesting the transcription. A copy of the stenographic record shall be paid for and given by the requesting party to the Hearing Officer for distribution to all parties in interest.
- F. Upon the conclusion of the hearing, the Hearing Officer shall render a decision, in writing, explaining the basis of his conclusions. The Hearing Officer shall transmit the written decision to the Sheriff, who will serve a copy of the decision on all parties.
- G. The Hearing Officer shall make inquiry into the facts of the reported injuries, sicknesses or deaths of a deputy resulting from the performance of his duties, and to that end shall have full authority and power to:
 - (1) Conduct hearings;
 - (2) Require the attendance of the deputy and other witnesses for testimony at any time upon reasonable notice;
 - (3) Require the production of all books, papers, documents and other records necessary for such inquiry;
 - (4) Issue subpoenas and compel compliance with the subpoenas in accordance with the Civil Practice Law and Rules;
 - (5) Administer oaths or affirmations to witnesses at a hearing;
 - (6) Expel any party, witness, attorney or others from a hearing for improper, disorderly or contemptuous conduct; and

- (7) Do all that may be reasonable and necessary in the conduct of a hearing.

§ 150-16. Court review.

The determination of the Hearing Officer shall be final and shall be subject to review only as provided in Article 78 of the Civil Practice Laws and Rules.

§ 150-17. Payment for medical services.

- A. No bills or claims for medical, hospital or other lawful remedial treatment rendered shall be paid unless the following procedure is complied with:
 - (1) Except in the case of emergency, a deputy receiving § 207-c benefits shall notify, in writing, the Risk Manager before incurring any expense for medical services, hospitalization or other lawful remedial treatment alleged to be related to an injury or sickness upon which the § 207-c claim is based.
 - (2) On each bill or claim for such services, the person or persons rendering such services shall certify thereon that the services rendered were required as a consequence of an injury or sickness upon which the § 207-c claim is based.
 - (3) Bills for drugs, appliances and other medical supplies will only be paid after a copy of the prescription by a doctor is filed with the Risk Manager for the particular items billed, stating thereon that the items supplied were required as a consequence of the injury or sickness upon which the § 207-c claim is based.
- B. In lieu of the above, compliance with the medical reporting provisions of the Workers' Compensation Law and the regulations thereunder shall be acceptable.

§ 150-18. Rules and regulations.

The Risk Manager may establish such rules and regulations as may be reasonable and necessary for the administration of this article.

§ 150-19. Service of notice.

- A. Any written notice, demand or other papers required to be served shall be deemed properly given, delivered and service thereof completed when said notice is deposited in any post office or post office box in a postpaid envelope properly addressed or when said notice is delivered in person to the party to whom it is addressed or their authorized representatives.
- B. Where a period of time prescribed by this article is measured from the service of a paper and services by mail, five days shall be added to the prescribed period.

B. Inspectors.

- (1) The inspections required by Subsection A must be performed by the Code Enforcement Official or inspectors approved by the Code Enforcement Official. In such instance, any and all persons shall immediately suspend all related activities until the stop-work order has been duly rescinded.

Prior to the imposition of a fine, a violator shall be given a reasonable period of time to correct the violation. If after such time the violation still exists, then an appropriate fine of not more than \$25 per day shall be imposed for each day the violation continues.
- (3) Any action or proceeding in the name of the County of Broome may be commenced in any court of competent jurisdiction to compel compliance with or restrain by injunction the violation of any provisions of the New York State Uniform Fire Prevention and Building Code, this local law or any rule or regulation relating thereto. In all other circumstances, a fee in accordance with the schedule specified in Subsection D of this section will be collected prior to the issuance of a certificate of occupancy or compliance.
- F. Refunds. If an application for a building or demolition permit is withdrawn prior to the commencement of a review of such application, the applicant may receive a refund of 100% of the fee paid. If a review of an application has been commenced prior to its withdrawal or if an application is not approved after review, the applicant may receive a refund of 50% of the fee paid, provided that no work has commenced. If work has commenced and the application is withdrawn or not approved, any fees paid shall not be refunded.
- G. Waiver of fees. The Commissioner of Public Works, Parks, Recreation and Youth Services may waive any fee or a portion thereof if it is established that the payment of such fee will cause unnecessary hardship or that the waiver of the fee would be in the best interests of the County.

ARTICLE III

Animal Abuser Registry

[Added 11-16-2017 by L.L. No. 6-2017]

§ 243-10. Title.

This article shall be known as "The Broome County Animal Abuser Registry Law."

§ 243-11. Legislative findings.

Animal cruelty is a serious problem resulting in the abuse of many animals each year, and while the State of New York has criminalized the cruel treatment of animals, animal abuse and cruelty continues to occur in Broome County and throughout New York State. Studies show that people who have abused animals in the past are likely to do so in the future and that there is a near one-hundred-percent recidivism rate for certain types of abuse such as animal hoarding. It has also been documented that individuals who abuse animals are statistically more likely to commit violent acts against humans, and there has been a strong correlation established linking individuals who abuse animals with incidents of domestic violence. Animals in need of homes need to be protected from potential abusers. The Broome County Legislature further finds and determines that it is in the best interest of the residents of Broome County and their animals that an online registry be established identifying individuals residing in Broome County convicted of animal abuse crimes that will prevent these individuals convicted of animal cruelty from adopting, purchasing or otherwise obtaining animals from any animal shelter, pet seller, or other entity involved in the exchange of animals by adoption, sale or other means.

- A. The Broome County Legislature recognizes the paramount importance of the health, safety and welfare of the citizens of the County and further recognizes that when the lives or property of its citizens are in imminent danger appropriate assistance must be rendered as expeditiously as possible. The County Legislature further recognizes that such assistance is increasingly summoned by wireless communications, including but not limited to cellular telephones, and that unintentional, though avoidable, delays in reaching appropriate emergency aid would occur to the detriment and jeopardy of life and property if such wireless E911 calls from within Broome County were routed to anywhere other than directly to the single Countywide Broome County Public Service

Answering Point (PSAP) which is under the jurisdiction of the Broome County Department of Emergency Services.

- B. The County Legislature further finds that the Broome County Public Service Answering Point (PSAP) has the most accurate, current and extensive data concerning Broome County's geography, roadways, landmarks, emergency service resources and similar information of critical importance in emergency situations and can immediately dispatch the number and type of emergency services the situation requires.
- C. The County Legislature further finds and declares that, by the enactment of the provisions of this article, it is the intent of the County Legislature to fulfill its obligation to provide for the health, safety and welfare of the people of this County by mandating the direct routing of all E911 calls, including wireless calls, by service suppliers directly to the Broome County Public Service Answering Point (PSAP) so as to facilitate the rendering of emergency services as expeditiously and effectively as possible.

ARTICLE I Young Hunters Program [Adopted 5-20-2021 by L.L. No. 1-2021]

§ 264-1. Legislative intent.

The intent of this article is to authorize Broome County to permit twelve- and thirteen-year-old individuals to participate in the new and safe hunting opportunities in accordance with Environmental Conservation Law § 11-0935. The enacted 2021-2022 New York State budget includes a pilot program allowing the opportunity for young hunters, ages 12 and 13, to hunt deer with firearms and crossbows through 2023 if a county authorizes such action within their municipality. Broome County is passing this article as hunting is a valued tradition for many families, and this new opportunity allows experienced, adult hunters to introduce the value of hunting to the next generation. Furthermore, teaching young people safe, responsible, and ethical hunting practices will ensure a rewarding experience for the youth, while providing quality food to families and contributing to important deer management population control practices.

§ 264-2. Pilot program authorization.

Pursuant to Environmental Conservation Law § 11-0935, Broome County elects to participate in the temporary program to allow for young hunters, ages 12 and 13, to hunt deer with a firearm, to include rifles, shotguns, and muzzle-loaded firearms, or a crossbow through 2023.

§ 264-3. Adherence to state requirements.

Twelve- and thirteen-year-old licensed hunters shall be allowed to hunt deer with the following requirements to be followed:

- A. Twelve- and thirteen-year-old licensed hunters shall be allowed to hunt deer under the supervision of a licensed adult hunter, age 21 years or older, with a rifle, shotgun, or muzzle-loading firearm in areas where and during the hunting season in which such firearms may be used; and

- B. Twelve- and thirteen-year-old licensed hunters shall be allowed to hunt deer under the supervision of a licensed adult hunter, age 21 years or older, with a crossbow during the times when other hunters may use crossbows; and
- C. Supervision by a licensed adult hunter, age 21 years or older, with at least three years of experience who exercises dominion and control over the youth hunter at all times is required; and
- D. All licensed twelve- and thirteen-year-old hunters as well as their adult supervisors shall be required to wear fluorescent orange or pink clothing while engaged in hunting to an extent and covering so designated pursuant to the law, rules, and regulations promulgated by the State of New York; and
- E. All licensed twelve- and thirteen-year-old hunters shall remain at ground level while hunting deer with a crossbow, rifle, shotgun, or muzzleloader; and
- F. Notwithstanding any state or federal law to the contrary, this article shall not authorize the hunting of bears by twelve- and thirteen-year-olds with a firearm or crossbow.

§ 264-4. Filing requirements.

A copy of this article shall be sent to the New York State Department of Environmental Conservation as well as the New York State Department of State.

§ 264-5. Severability.

If any clause, sentence, paragraph, subdivision, section or part of this article, or the application thereof to any person, individual, corporation, firm, partnership, entity or circumstance, shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, effect or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this article or in its application to the person, individual, corporation, firm, partnership, entity or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

§ 264-6. When effective.

This article shall take effect immediately upon filing with the Secretary of State.

ARTICLE I
Soliciting by Law-Enforcement-Affiliated Organizations
[Adopted 5-6-1986 by L.L. No. 3-1986 (Ch. 175, Art. I, of the 1991 Code)]

§ 287-1. Intent; purpose.

- A. This Legislature hereby finds that many professional fund-raisers often misrepresent themselves to be agents of law-enforcement-affiliated organizations and solicit funds on behalf of organizations which rarely see more than a small percentage of the collected funds. This pernicious and fraudulent practice is calculated to deceive and gull small businesspersons, merchants and residents of our County into believing that they are aiding a widow, widower or orphan of a slain police officer or helping a wounded or disabled police officer.
- B. The purpose of this article is to prevent misrepresentation in the solicitation of funds from the public by or on behalf of law-enforcement-affiliated organizations, to require that adequate information be made available to persons solicited as to the actual identity of the soliciting organization and the purposes for which solicitations will be used to assist the public in judging the nature and worthiness of the solicited cause and to ensure the presentation of honest information to prospective donors.
- C. In addition, this article recognizes the special problem presented by telephone solicitation which, in the past, has been subject to greater abuse than any other form of solicitation. Accordingly, telephone solicitors are required to make additional representations during the solicitation which will enable the solicitee to make a more informed judgment concerning the solicitation.

§ 287-2. Applicability.

The provisions of this article are not intended to apply to fraternal, patriotic, social or other law-enforcement-affiliated organizations which solicit contributions solely from their memberships.

§ 287-3. Definitions.

As used in this article, the following terms shall have the meanings indicated:

LAW-ENFORCEMENT-AFFILIATED ORGANIZATION — Any organization, association or conference of present or former policemen, sheriffs, deputy sheriffs, detectives, investigators, constables or similar law enforcement officers or peace officers or police officers as defined in Subdivisions 33 and 34 of § 1.20 of the New York Criminal Procedure Law, or any auxiliary or affiliate of such an organization, association or conference composed of one or more such organization.

PROFESSIONAL FUND-RAISER — Any person who, for compensation or other consideration, plans, conducts, manages or carries on any drive or campaign in Broome County for the purpose of soliciting funds or contributions for or on behalf of any law-enforcement-affiliated organization or who engages in the business of or holds himself out to persons in Broome County as independently engaged in the business of soliciting contributions for such purpose.

PROFESSIONAL SOLICITOR — Any person who is employed or retained for compensation by a professional fund-raiser to solicit funds or contributions on behalf of any law-enforcement-affiliated organization from persons in Broome County.

§ 287-4. Registration required.

- A. No law-enforcement-affiliated organization shall solicit funds or contributions from the public or have funds or contributions solicited on its behalf unless it has filed a registration statement with the Broome County Sheriff or his designee in accordance with the provisions of this section. Each registration statement shall be refiled and updated every 12 months so long as the law-enforcement-affiliated organization is engaged in solicitation activities in Broome County.
- B. Such statements shall contain the following information:
- (1) The name of the organization and the purpose for which it was organized.
 - (2) The principal address of the organization.
 - (3) A statement indicating whether the organization intends to use professional fund-raisers to solicit funds or contributions from the public.
 - (4) The general purpose or purposes for which the contributions solicited shall be used.
 - (5) The names and business addresses of the person or persons in direct charge of conducting the solicitation.

- (6) The names and business addresses of all professional fund-raisers who will be connected with the solicitation.
 - (7) A statement to the effect that the fact of registration will not be used or represented in any way as an endorsement by the County of Broome or by the Broome County Sheriff of the solicitation conducted thereunder.
 - (8) Documents verifying the information provided under Subsection B(1) through (7) above, including all contracts and subsequent amendments thereto between a law-enforcement-affiliated organization and any professional fund-raiser with whom it does business.
- C. Once each year, on the 31st of March, a report shall be filed with the Broome County Sheriff stating the amount of funds or contributions collected in the preceding calendar year, the amount expended and the specific recipients, purposes for which said amount was expended and the administrative expenses incurred in said period, including a statement of the fees or other charges by any professional fund-raisers and the amount paid to the same.

§ 287-5. Representations; statement of collections made.

- A. During the course of each and every solicitation for funds or contributions on behalf of a law-enforcement-affiliated organization (including, but not limited to, telephone solicitation, door-to-door solicitation and mailings), the fund-raiser, solicitor or any other person acting on behalf of the law-enforcement-affiliated organization shall make the following representations:
- (1) The name and address of the organization represented.
 - (2) A description of the programs in which the organization is actually engaged and for which the funds will be used.
- B. During the course of telephonic solicitations, the fund-raiser, solicitor or any other person acting on behalf of the law-enforcement-affiliated organization shall make an additional statement of the percentage of the funds collected during the preceding year which were actually used for the programs in which the organization was then engaged and that the remaining funds were used for fund-raising activities.
- C. The fund-raiser, solicitor and any other person acting on behalf of the law-enforcement-affiliated organization shall provide an acknowledgment to the person(s) who actually contributes pursuant to the solicitation, which shall contain the following representation:
- (1) The name and address of the organization represented.
 - (2) A description of the programs in which the organization is actually engaged and for which the funds will be used.

- (3) A statement of the percentage of the funds collected during the preceding year which were actually used for the programs in which the organization was then engaged and that the remaining funds were used for fund-raising activities.

§ 287-6. Prohibited acts.

It shall be unlawful to solicit funds or contributions on behalf of a law-enforcement-affiliated organization:

- A. By using a name, symbol or statement so closely related to that used by another law-enforcement-affiliated organization or governmental agency if the use thereof would tend to confuse or mislead the public, including the use of statements or materials that would indicate that such funds or contributions were being raised for the Broome County Sheriff's Department, Binghamton Police Department, Johnson City Police Department, Endicott Police Department, Vestal Police Department, Port Dickinson Police Department, Windsor Police Department, Deposit Police Department, Broome County Deputy Sheriffs' Benevolent Association, Binghamton Police Benevolent Association, Johnson City Police Benevolent Association, Endicott Police Benevolent Association or Vestal Police Benevolent Association, unless such agency or association shall have given its written permission for the raising of such funds and for the use of its name in connection with the solicitation of funds.
- B. By means of a false pretense, representation or promise which includes a representation:
 - (1) That the professional fund-raisers or solicitors are police officers or employees of any law enforcement agency.
 - (2) That funds collected will be used to aid widows and children of police officers slain in the line of duty or that the funds collected will be used for any other charitable program unless the organization is actually engaged in such a program.
 - (3) That contributors will receive special benefits from police officers.
 - (4) That contributors are tax exempt as a charitable contribution or as a business expense, unless they so qualify under the applicable provisions of the Internal Revenue Code.
 - (5) By any manner, means, practice or device that misleads the person solicited as to the use of the funds or the nature of the organization.

§ 287-7. Penalties for offenses.

- A. Any person who violates or assists in the violation of any of the provisions of this article shall be guilty of a misdemeanor punishable by a fine of not less than \$1,000 nor more than \$10,000 or up to one year's imprisonment, or both. Each such violation shall constitute a separate and distinct offense.

- B. Such person shall also be subject to a civil penalty of not less than \$1,000 nor more than \$10,000 for each violation. Each such violation shall constitute a separate and distinct offense.

§ 287-8. Enforcement.

The civil penalties prescribed by this article shall be recovered by an action or proceeding in any court of competent jurisdiction. All such actions or proceedings shall be brought in the name of the County by the County Attorney. In addition, the County Attorney may institute any other action or proceeding in any court of competent jurisdiction that may be appropriate or necessary for the enforcement of the provisions of this article, including actions to secure permanent injunctions enjoining any acts or practices which constitute a violation of any provision of this article, mandating compliance with the provisions of this article or for such other relief as may be appropriate. In any such action or proceeding, the County Attorney may apply to any court of competent jurisdiction, or to a judge or justice thereof, for a temporary restraining order or preliminary injunction enjoining and restraining all persons from violating any provision of this article, mandating compliance with the provisions of this article, or for such other relief as may be appropriate, until the hearing and determination of such action or proceeding and the entry of final judgment or order therein. The court, or judge or justice thereof, to whom such application is made is hereby authorized forthwith to make any or all of the orders above specified, as may be required in such application, with or without notice, and to make such other and further orders or directions as may be necessary to render the same effectual. No undertaking shall be required as a condition to the granting or issuing of such order or by reason thereof.

§ 287-9. Scope of remedies.

The remedies and penalties provided for herein shall be in addition to any other remedies and penalties provided under other provisions of law.

§ 287-10. Construal of provisions.

The provisions of this article shall not be construed to apply to any law-enforcement-affiliated organizations when solicitation of contributions is confined to their membership. In addition, the provisions of this article shall not be construed to apply to any person or law-enforcement-affiliated organization which solicits contributions for the relief of any individual specified by name at the time of solicitation, if all of the contributions collected, without any deductions whatsoever, are turned over to the named beneficiary.

A list of such records is on file with the County Clerk and the Clerk of the County Legislature. All requests for copies of these records, which requests may be oral or in writing, shall be honored upon payment of the appropriate fee, plus first class postage if said copies are to be mailed. Requests for any other records of the Broome County Board of Elections shall be made to the Clerk of the Broome County Legislature in the manner provided herein.

- B. The records access officer is responsible for ensuring appropriate County response to public requests for access to records. The designation of a records access officer shall not be construed to prohibit officials who have in the past been authorized to make records or information available to the public from continuing to do so. The records access officer shall ensure that County personnel:
- (1) Maintain an up-to-date subject matter list.
 - (2) Assist persons seeking records to identify the records sought, if necessary, and when appropriate indicate the manner in which the records are filed, retrieved or generated to assist persons in reasonably describing records.
 - (3) Contact persons seeking records when a request is voluminous or when locating the records involves substantial effort, so that personnel may ascertain the nature of records of primary interest and attempt to reasonably reduce the volume of records requested.
 - (4) Upon locating the records, take one of the following actions:
 - (a) Make records available for inspection; or
 - (b) Deny access to the records in whole or in part and explain in writing the reasons therefor.
 - (5) Upon request for copies of records.
 - (a) Make a copy available upon payment or offer to pay established fees, if any, in accordance with § 296-7; or
 - (b) Permit the requester to copy those records.
 - (6) Upon request, certify that a record is a true copy; and
 - (7) Upon failure to locate records, certify that:
 - (a) Broome County is not the custodian for such records; or
 - (b) The records of which Broome County is a custodian cannot be found after diligent search.

§ 296-4. Requests for public access to records.

- A. A written request may be required, but oral requests may be accepted when records are readily available.
- B. If records are maintained on the Internet, the requester shall be informed that the records are accessible via the Internet and in printed form either on paper or other information storage medium.
- C. A response shall be given within five business days of receipt of a request by:

- (1) Informing a person requesting records that the request or portion of the request does not reasonably describe the records sought, including direction, to the extent possible, that would enable that person to request records reasonably described;
 - (2) Granting or denying access to records in whole or in part;
 - (3) Acknowledging the receipt of a request in writing, including an approximate date when the request will be granted or denied in whole or in part, which shall be reasonable under the circumstances of the request and shall not be more than 20 business days after the date of the acknowledgment, or if it is known that circumstances prevent disclosure within 20 business days from the date of such acknowledgment, providing a statement in writing indicating the reason for inability to grant the request within that time and a date certain, within a reasonable period under the circumstances of the request, when the request will be granted in whole or in part; or
 - (4) If the receipt of request was acknowledged in writing and included an approximate date when the request would be granted in whole or in part within 20 business days of such acknowledgment, but circumstances prevent disclosure within that time, providing a statement in writing within 20 business days of such acknowledgment specifying the reason for the inability to do so and a date certain, within a reasonable period under the circumstances of the request, when the request will be granted in whole or in part.
- D. In determining a reasonable time for granting or denying a request under the circumstances of a request, personnel shall consider the volume of a request, the ease or difficulty in locating, retrieving or generating records, the complexity of the request, the need to review records to determine the extent to which they must be disclosed, the number of requests received by the County, and similar factors that bear on the ability to grant access to records promptly and within a reasonable time.
- E. A failure to comply with the time limitations described herein shall constitute a denial of a request that may be appealed. Such failure shall include situations in which an officer or employee:
- (1) Fails to grant access to the records sought, deny access in writing or acknowledge the receipt of a request within five business days of the receipt of a request;
 - (2) Acknowledges the receipt of a request within five business days but fails to furnish an approximate date when the request will be granted or denied in whole or in part;
 - (3) Furnishes an acknowledgment of the receipt of a request within five business days with an approximate date for granting or denying access in whole or in part that is unreasonable under the circumstances of the request;
 - (4) Fails to respond to a request within a reasonable time after the approximate date given or within 20 business days after the date of the acknowledgment of the receipt of a request;

- (5) Determines to grant a request in whole or in part within 20 business days of the acknowledgment of the receipt of a request, but fails to do so, unless the department provides the reason for its inability to do so in writing and a date certain within which the request will be granted in whole or in part;
- (6) Does not grant a request in whole or in part within 20 business days of the acknowledgment of the receipt of a request and fails to provide the reason in writing explaining the inability to do so and a date certain by which the request will be granted in whole or in part; or
- (7) Responds to a request, stating that more than 20 business days is needed to grant or deny the request in whole or in part and provides a date certain within which that will be accomplished, but such date is unreasonable under the circumstances of the request.

§ 296-5. Subject matter list.

- A. The records access officer shall maintain a reasonably detailed current list by subject matter of all records in its possession, whether or not records are available pursuant to Subdivision 2 of § 87 of the Public Officers Law.
- B. The subject matter list shall be sufficiently detailed to permit identification of the category of the record sought.
- C. The subject matter list shall be updated annually. The most recent update shall appear on the first page of the subject matter list.

§ 296-6. Denial of access to records.

- A. Denial of access to records shall be in writing, stating the reason therefor and advising the requester of the right to appeal to the individual or body established to determine appeals, who or which shall be identified by name, title, business address and business phone number.
- B. If requested records are not provided promptly, as required in § 296-4 of these regulations, such failure shall also be deemed a denial of access.
- C. The County Attorney or his designee shall determine appeals regarding denial of access to records under the Freedom of Information Law. Appeals are to be sent to the Clerk of the County Legislature to be forwarded onto the County Attorney's Office:

Clerk of the County Legislature

- (1) The date and location of requests for records;
 - (2) A description, to the extent possible, of the records that were denied; and
 - (3) The name and return address of the person denied access.
- F. A failure to determine an appeal within 10 business days of its receipt by granting access to the records sought or fully explaining the reasons for further denial in writing shall constitute a denial of the appeal.
- G. The person or body designated to determine appeals shall transmit to the Committee on Open Government copies of all appeals upon receipt of appeals. Such copies shall be addressed to:
- Committee on Open Government
Department of State
One Commerce Plaza
99 Washington Avenue, Suite 650

- B. Copies may be provided without charging a fee.
- C. Fees for copies may be charged, provided that:
- (1) The fee for copying records shall not exceed 25 cents per page for photocopies not exceeding nine inches by 14 inches. This section shall not be construed to mandate the raising of fees where agencies or municipalities in the past have charged less than \$0.25 for such copies;
 - (2) The fee for photocopies of records in excess of nine inches by 14 inches shall not exceed the actual cost of reproduction; or

- (3) The County has the authority to redact portions of a paper record and does so prior to disclosure of the record by making a photocopy from which the proper redactions are made.
 - (4) The Records Access Officer shall have the authority to waive any photocopying fees whenever the cumulative fee required by the foregoing sentences is less than or equal to \$1.
- D. The fee the County may charge for a copy of any other record is based on the actual cost of reproduction and may include only the following:
- (1) An amount equal to the hourly salary attributed to the lowest paid employee who has the necessary skill required to prepare a copy of the requested record, but only when more than two hours of the employee's time is necessary to do so; and
 - (2) The actual cost of the storage devices or media provided to the person making the request in complying with such request; or
 - (3) The actual cost to the County of engaging an outside professional service to prepare a copy of a record, but only when a department's information technology equipment is inadequate to prepare a copy, and if such service is used to prepare the copy.
- E. When the County has the ability to retrieve or extract a record or data maintained in a computer storage system with reasonable effort, or when doing so requires less employee time than engaging in manual retrieval or redactions from nonelectronic records, the department shall be required to retrieve or extract such record or data electronically. In such case, the County may charge a fee in accordance with Subsection D(1) and (2) above.
- F. The County shall inform a person requesting a record of the estimated cost of preparing a copy of the record if more than two hours of a County employee's time is needed or if it is necessary to retain an outside professional service to prepare a copy of the record.
- G. The County may require that the fee for copying or reproducing a record be paid in advance of the preparation of such copy.

- I. The fee for photocopies of records provided by the Deputy County Attorney of the Department of Social Services shall be as follows:

 - (2) For an applicant requesting documents pertaining to his or her case other than those relating to a fair hearing, copies shall be \$0.10 per page. The Records Access Officer shall have the authority to waive any photocopying fees whenever the cumulative fee required by the foregoing sentences is less than or equal to \$1.

- (3) For an applicant requesting documents pertaining to any record other than the above, the fee for copies shall be as stated in Subsection C above.

- C. Rules and regulations. Food establishments shall comply with the provisions of Part 14 of the New York State Sanitary Code entitled "Service Food Establishments," and any amendments thereto, as the same is set forth in Title 10 of the New York Codes, Rules and Regulations.

- D. Exceptions. In the case of places handling essentially packaged food and providing limited services such as vehicles, mobile lunch wagons or carts, roadside stands and stands of concessions operated in conjunction with a fair, carnival or circus, exceptions to the above requirements will be considered only when, in the opinion of the Commissioner, full enforcement is impracticable and such modification will not unduly endanger the public health.
- E. Sampling, embargo and condemnation.
- (1) Such samples of food, drink, ingredients, containers or any substance used in connection with the preparation of food or drink may be taken by a duly authorized representative of the Department of Health for examination from any food establishment at any time and as often as he may deem necessary for the detection of unwholesome or unsanitary conditions.
 - (2) Any such food, drink or other substance may be stopped from sale or use or placed under an embargo by the Commissioner for such reasonable period of time as may be necessary to determine that such food, drink or substance is decomposed, unwholesome, unfit for human consumption or dangerous to the public health. No such food, drink or other substance shall be used, removed, destroyed or otherwise disposed of while under such embargo.
 - (3) Should the embargoed articles be found unfit for human consumption, the Commissioner shall inform the owner, in writing, stating the reasons as to why they are unfit and directing their disposal under his supervision. The owner of the article may request a hearing before the Commissioner within five days of the date of this statement. Unless agreed upon by the owner, the embargoed articles shall not be disposed of within this period of five days. The decision resulting from the hearing shall be final.
 - (4) Nothing in this section shall prohibit the Commissioner from referring the entire matter at any time to the duly authorized representative of federal, state and local agencies having responsibilities or jurisdiction in the matter concerned.

 - (2) Food establishments shall maintain on site the original labels for all cooking oils, shortenings or fats that are, when purchased by such food service establishments, required by applicable federal and state law to have labels, and that the products are currently stored, distributed, held for service, used in preparation of any menu item or served by the food service establishment. If original labels were not required by law, then documentation from the manufacturer or distributor indicating the trans fat content in these food items must be maintained at the food service establishment.

determination by the Commissioner that said proposed sewage facilities will be adequate to serve the sewage disposal needs of the premises.

- B. The owner or his agent or the lessee or tenant who shall be in responsible charge of any dwelling, school, institution or premises for which a preliminary approval has been obtained shall have the system, when completed, left uncovered for inspection by a representative of the Broome County Health Department and/or municipal building inspector, provided that said inspector is approved by the Commissioner, who shall make final inspection and give final approval before backfilling and covering is carried out. If backfilling has been completed before final inspection, the owner or his agent will be required to have the work uncovered to permit such inspection. **[Amended 4-4-1991 by L.L. No. 10-1991]**

These plans and specifications will be reviewed and/or approved in accordance with the Rules to Prevent New Air Pollution, adopted by the New York State Air Pollution Control Board, as authorized by the Public Health Law.
- (2) In the event that the requirement for approval prior to construction will create an undue hardship to the applicant, the applicant may request of the Commissioner a waiver to proceed with construction. The application for a waiver shall explain the circumstances which will cause undue hardship.
- (3) If a waiver is granted, the applicant shall submit a report and/or plans and specifications for approval as soon as is reasonably practical, as specified by the Commissioner. The applicant, after a waiver is granted, proceeds with the construction at his own risk; and if, after construction, modification, relocation or installation has begun or been completed, the report and/or plans and specifications and completed installation do not meet approval, the alterations required to effect such approval shall be made within a reasonable time, as specified by the Commissioner.

B. Open fires.

- (1) No person shall burn any refuse in any open fire except in conformity with the provisions of Subsection B(2) of the section.
- (2) Permissible burning. When not prohibited by other local ordinances or other officials having jurisdiction, such as the State Commissioner of Conservation or local fire wardens or other fire prevention officials, the following types of open burning are permissible:

 - (c) Backyard burning of rubbish, when principally paper, in the unincorporated areas of towns which have a total town population of fewer than 30,000 and where no public or private disposal service is available. This provision applies only to the open burning or domestic rubbish on the premises by the occupants of a building or structure used primarily for dwelling purposes and containing four or fewer dwelling units and when no nuisance is created

- (d) Burning of rubbish, principally tree trimmings, derived from on-premises agriculture operations, if the prevailing winds at the time of the burning are away from populated areas and no nuisance is created.
- (e) Open burning of trees and brush, in or adjacent to highway rights-of-way, where approved by the Commissioner and the appropriate public officer having jurisdiction over the highway right-of-way, and provided that dirt is shaken from stumps before burning and that trees, fuel oil or similar materials which can cause air pollution are not used to start fires or to keep fires going.

(1) Prohibitions.

- (a) No person shall operate any fuel-burning equipment or other combustion installation, where the installation is first put into operation after February 1, 1967, so as to produce, emit or permit the escape of smoke, regardless of how produced or discharged, of a shade of gray density darker than No. 1 on the Ringelmann Smoke Chart or equivalent standard, except when allowed in Subsection C(2) of this section.
- (b) No person shall operate any fuel-burning equipment or other combustion installation, which was in operation on or before February 1, 1967, so as to produce, emit or permit the escape of smoke, regardless of how produced or discharged, of a shade of gray density darker than No. 2 on the Ringelmann Smoke Chart or equivalent standard, except when allowed in Subsection C(2).

(2) Exceptions.

- (a) When building a new fire, tube blowing or when a breakdown of equipment occurs such as to make it evident that the emission was not reasonably preventable, smoke which is equal to No. 3 on the Ringelmann Smoke Chart or equivalent standard may be emitted for a period or periods aggregating three minutes in any thirty-minute period.
- (b) Special equipment to prevent frost damage may be used in agricultural operations, with the concurrence and approval of the Commissioner.

- (c) Smoke may be emitted for purposes of training or research when approved by the Commissioner.

(3) Abatement.

- (a) The Commissioner may require the installation of smoke-recording devices on any fuel-burning equipment or combustion installation where the density of smoke emissions has repeatedly exceeded the permissible smoke density limits of Subsection C(1).
- (b) The Commissioner may order the installation of control equipment or devices to serve any equipment which causes a violation of Subsection C(1).
- (c) The Commissioner may order a change in the manner of operation of any fuel-burning equipment or other combustion installation which is operated so as to cause a violation of Subsection C(1).

- (b) In the event that the requirement for approval prior to construction will create an undue hardship to the applicant, the applicant may request of the Commissioner a waiver to proceed with construction. The procedures following application for a waiver shall be those as described in Subsection A(2) and (3).
- (c) Plans and specifications for such new installation, modifications to an existing installation or air-cleaning device shall be submitted in accordance with and shall be constructed in accordance with the standards, guides, rules or regulations duly promulgated by the Commissioner and with the terms or conditions of the permit issued therefor or approved amendments thereto.
- (d) No new installation, modification to an existing installation or air-cleaning device for which an application and plans and specifications were approved

shall be placed in operation, except for testing as provided for in this article, for a period of more than 30 days without first obtaining a certificate of operation from the Commissioner.

- (e) An approval of plans and specifications or certificate of operation shall not be transferable either from one location to another or from one piece of equipment to another.
 - (f) Whenever considered necessary by the Commissioner, such tests as are necessary to evaluate the performance of an installation shall be conducted in accordance with methods and procedures acceptable to the Commissioner, and the result of such tests shall be certified and submitted to the Commissioner. The costs of such tests shall be borne by the owner of the installation. A representative of the Commissioner shall be permitted to witness the test or tests to be conducted, which shall be performed at a time mutually convenient to all parties.
 - (g) Any person operating air-cleaning equipment for purposes of removing air contaminants shall provide for removal and disposal of the collected air contaminants in conformity with other provisions of this chapter and existing laws and at such intervals as may be necessary to maintain the equipment at the required operating efficiency. Such collection and disposal shall be performed in such a manner as to minimize the reintroduction of contaminants to the outer air.
 - (h) Persons responsible for a suspended new or modified source of air pollution, upon request of the Commissioner, shall provide, in writing, pertinent data concerning emissions.
- (2) Standards. In determining compliance with the provisions of this article, the Commissioner shall be guided by the provisions of the Rules to Prevent New Air Pollution: Par. 194 Control of Air Contamination from Incinerators proposed by the New York State Air Pollution Control Board, dated November 3, 1966, and the Ambient Air Quality Objectives Classifications System adopted by the New York State Air Pollution Control Board, and any subsequent amendments thereto, or the provisions of any other rules or code which may be enacted by the New York State Air Pollution Board or by the local municipality in which the installation is located, provided that the provisions of such rules or code do not permit lower or less exacting requirements than required by the provisions of Title 10 of the New York Codes, Rules and Regulations.
- (3) Existing incinerators. The operation of existing incinerators which constitute a nuisance and do not meet the requirements of the guides utilized by the Commissioner, which are the provisions of the Rules to Prevent New Air Pollution, adopted by the New York State Air Pollution Control Board, and any subsequent amendments thereto or revisions thereof, will be reviewed in accordance with these guides. These existing incinerators will be modified to meet the requirements of this amendment.

- (2) No motor shall be permitted to idle more than three minutes in any one period when not in use performing its intended functions as a source of power, except under the following conditions:
 - (a) When a vehicle in the flow of traffic is forced to stand still because of traffic conditions over which the operator has no control.
 - (b) When it is necessary to idle a motor vehicle undergoing repair or servicing or during difficult starting operation due to severe weather conditions.

The finding of violation shall be served at least 15 days prior to the hearing date designated therein, when service is effected personally, and at least 20 days prior to the hearing date when service is effected by mail. Should personal service be necessary due to the respondent's refusal to accept a mailed finding of violation, the respondent may be liable for the cost

of such personal service should any of the allegations be sustained by admission, default or otherwise in any subsequent enforcement proceedings.

B. The finding of violation shall contain:

- (1) A short and plain statement of the facts which are alleged to constitute a violation, including the dates when such facts were observed. An inspection report of the Departmental inspector may be used in whole or in part as the Department's description of alleged violations.

- A. Best management practices. Where the SMO has identified illicit discharges as defined in § 306-2 or by way of activities contaminating stormwater as defined in § 306-7, the County may, among other remedies as set forth in this article, require implementation of best management practices (BMPs) to control those illicit discharges and activities.
- (1) The owner or operator of a commercial or industrial establishment shall provide, at their own expense, reasonable protection from accidental discharge of prohibited materials or other wastes into the County-owned MS4 through the use of structural and nonstructural BMPs.
 - (2) Any owner, discharger, or operator, or other person responsible for a property or premise, which is, or may be, the source of an illicit discharge as defined in § 306-2 or an activity contaminating stormwater as defined in this article may be required to implement, at said person's expense, additional structural and nonstructural BMPs to reduce or eliminate the source of pollutant(s) to the County-owned MS4.
 - (3) Compliance with all terms and conditions of a valid SPDES permit authorizing the discharge of stormwater associated with industrial and/or other regulated activities, to the extent practicable, shall be deemed compliant with the provisions of this section.
- B. Individual sewage treatment systems; response to special conditions requiring no increase of pollutants or requiring a reduction of pollutants. Where individual sewage treatment systems are contributing to the County-owned MS4 being subject to the special conditions as defined in § 306-2 of this article, the owner or operator of such individual sewage treatment systems shall be required to follow Chapter 305 of the Broome County Charter and Code which stipulates that no persons shall discharge any

sewage or sewage effluent into any watercourse or surface body of waters unless a permit has been issued under the provisions of the Public Health Law or State Sanitary Code for such discharge. If individual sewage treatment system discharges are found to exceed the limits of the County's MS4 permit, the owner or operator of such individual sewage treatment systems shall be required to implement best management practices to maintain and operate individual sewage treatment systems as follows:

- (1) Inspect the septic tank annually to determine scum and sludge accumulation. Septic tanks must be pumped out whenever the bottom of the scum layer is within three inches of the bottom of the outlet baffle or sanitary tee or the top of the sludge is within 10 inches of the bottom of the outlet baffle or sanitary tee;
- (2) Avoid the use of septic tank additives;
- (3) Avoid the disposal of excessive quantities of detergents, kitchen wastes, laundry wastes, and household chemicals; and
- (4) Avoid the disposal of cigarette butts, disposable diapers, sanitary napkins, trash and other such items.

§ 306-9. Suspension of access due to imminent danger or illicit discharges.

- A. Imminent danger. The SMO may, without prior notice, suspend County-owned MS4 discharge access to a person when such suspension is necessary to stop an actual or threatened discharge which presents or may present imminent and/or substantial danger to the environment, to the health or welfare of persons, or to the County-owned MS4. The SMO shall notify the person of such suspension within a reasonable time thereafter, in writing, of the reasons for the suspension. If the violator fails to comply with a suspension order issued in an emergency, the SMO may take such steps as deemed necessary to prevent or minimize damage to the County-owned MS4 or to minimize and abate any and all danger to persons.
- B. Suspension due to the detection of illicit discharge. Any person discharging to the County-owned MS4 in violation of this article may have their County-owned MS4 access terminated if such termination would abate or reduce an illicit discharge. The SMO will notify an alleged violator, in writing, of the proposed termination of its County-owned MS4 access and the reasons therefor. Within 15 days of the issuance of such notice, the alleged violator may petition the SMO for a reconsideration and hearing. Access to the County-owned MS4 may be granted by the SMO if he/she finds that the illicit discharge has ceased, and the discharger has taken steps to prevent its recurrence. Access to the County-owned MS4 may be denied if the SMO determines, in writing, that the illicit discharge has not ceased or is likely to recur. A person commits an offense if the person reinstates County-owned MS4 access to premises terminated pursuant to this section without the prior approval of the SMO or a court of competent jurisdiction.

§ 306-10. Industrial or construction activity discharges.

Any person subject to an industrial or construction activity SPDES stormwater discharge permit shall comply with all provisions of such permit. Proof of compliance with said permit

may be required in a form reasonably acceptable to the SMO prior to the allowing of discharges to the County-owned MS4. Upon such proof being provided, the SMO shall render his/her determination as to acceptability and shall provide the person with a written confirmation of such determination.

§ 306-11. Access to facilities; monitoring of discharges.

- A. Applicability. This section applies to all facilities that the SMO must inspect to enforce any provision of this article, or whenever the authorized enforcement agency has probable cause to believe that there exists, or potentially exists, in or upon any premises any condition which constitutes a violation of this article.
- B. Access to facilities.
- (1) Upon compliance with the requirements of this article, the SMO shall be permitted to enter and inspect facilities subject to regulation under this article as often as may be necessary to determine compliance with this article. If a discharger has security measures in force which require proper identification and clearance before entry into its premises, the discharger shall make reasonable and necessary arrangements to allow access to the SMO.
 - (2) Facility operators shall allow the SMO ready access to all parts of the premises for the purposes of inspection, sampling, examination and copying of records as may be required to implement this article.
 - (3) Unreasonable delays in allowing the County access to a facility subject to this article is a violation of this article. A person who is the operator or owner or discharger of a facility subject to this article commits an offense if the person denies the SMO reasonable access to the facility for the purpose of conducting any activity authorized or required by this article.
 - (4) If the SMO has been refused access to any part of the premises from which stormwater is discharged, and he/she is able to demonstrate probable cause to believe that there may be a violation of this article, or that there is a need to inspect and/or sample as part of a routine inspection and sampling program designed to verify compliance with this article or any order issued hereunder, then the SMO may seek issuance of a search warrant from any court of competent jurisdiction.
- C. Monitoring.
- (1) The County shall have the right to set up on any facility subject to this article such devices as are necessary in the reasonable determination of the SMO to conduct monitoring and/or sampling of the facility's stormwater discharge.
 - (2) In connection therewith, the County has the right to require the facilities subject to this article to install monitoring equipment as is reasonably necessary to determine compliance with this article. The facility's sampling and monitoring equipment shall be maintained at all times in a safe and proper operating condition by the discharger or the owner at its own expense. All devices used to

measure stormwater flow and quality shall be calibrated to ensure their accuracy, and proof of such calibration shall be furnished to the SMO per request.

§ 306-12. Notification of spills.

Notwithstanding other requirements of law, as soon as any person responsible for a facility or operation, or responsible for emergency response for a facility or operation, has information of any known or suspected release of materials which are resulting or may result in illicit discharges or pollutants discharging into the County-owned MS4, said person shall take all necessary steps to ensure the discovery, containment, and cleanup of such release. In the event of such a release of hazardous materials, said person shall immediately notify emergency response agencies of the occurrence via emergency dispatch services and/or the County SMO. In the event of a release of nonhazardous materials, said person shall notify the County SMO in person or by telephone, email, or facsimile no later than the next business day. Notifications in person or by telephone shall be confirmed by written notice addressed and mailed to the County within three business days of the telephone or in-person notice. If the discharge of prohibited materials emanates from a commercial or industrial establishment, the owner or operator of such establishment shall also retain an on-site written record of the discharge and the actions taken to prevent its recurrence. Such records shall be promptly provided to the SMO and shall be retained on site for at least five years.

§ 306-13. Enforcement.

Notice of violation. When the County's SMO determines that a person has violated a prohibition or failed to meet a requirement of this article, he/she may order compliance by written notice of violation to the owner and discharger, if different than the owner, as the alleged responsible person. Such notice and/or subsequent enforcement may require without limitation:

- A. The elimination of illicit connections and/or discharges;
- B. The violating discharges, practices, and/or operation shall cease and desist;
- C. The abatement and/or remediation of stormwater pollution or contamination hazards and the restoration of any affected property;
- D. The performance of monitoring, analyses, and reporting;
- E. Payment of a fine; and/or recoument of all qualified County expenditures as necessary to abate the violation;
- F. The implementation of source control or treatment BMPs. If abatement of a violation and/or restoration of affected property is ultimately required, written confirmation shall set forth a deadline within which such remediation or restoration must be completed. Said notice shall further advise that, should the violator fail to remediate or restore within the established deadline, the work may be undertaken and completed by a designated County governmental agency or a County retained contractor and all the expenses thereof shall be charged to the discharger and/or the owner as the violator;

- G. Order that all permits, approvals and/or authorizations be obtained, if lawfully permitted by statute, for any continuing discharges, practices and/or operations. Prior notice shall not be required in the event the SMO reasonably determines that an imminent threat to life may exist as a result of the violation of the article.

§ 306-14. Appeal of notice of violation.

- A. Procedure. Any person receiving a notice of violation may appeal the determination of the SMO within 15 days of its issuance. Said appeal shall be filed with the SMO, who shall transmit his/her original findings and the appeal to the Illicit Discharge Board of Appeals, which shall consist of one representative of each of the County departments: 1) Health Department - Environmental Health; 2) Planning Department - Environment Management Council; 3) Department of Public Works - Engineering. Such Board members shall be appointed by the department heads of each of the foregoing agencies. The Illicit Discharge Board of Appeals shall hear the appeal within 30 days after the filing of the appeal and, within five days of making its written decision, file its decision in the office of the County Clerk and mail a copy of its decision by certified mail to the discharger.
- B. Relief. Persons who may be individually, jointly, or severally aggrieved by any determination made by the SMO and/or the Appeals Board may apply to the Supreme Court of the State of New York for review of such decision under Article 78 of the Civil Practice Laws and Rules of the State of New York.

§ 306-15. Corrective measures after appeal.

- A. If an appeal under this article has been pursued and the violation has not been corrected pursuant to the requirement set forth in the notice of violation, which has been administratively adjudicated under this article, then within five business days of decision of the County authority upholding the decision of the SMO, the SMO shall request the owner's permission for access to the subject private property to take any and all measures reasonably necessary to abate the violation and/or restore the property.
- B. If refused access to the subject private property, the SMO may seek a warrant in a court of competent jurisdiction to be authorized to enter upon the property and make any and all determinations which are authorized pursuant to this article. Upon determination that a violation has occurred, the SMO may seek a court order to take any and all measures reasonably necessary to abate the violation and/or restore the property. The cost of implementing and maintaining such measures shall be the sole responsibility of the discharger as set forth in § 306-13.
- C. Nothing in this section shall be read to limit, abrogate, or otherwise affect the authority possessed by the SMO pursuant to Section 306-9A of this article.

§ 306-16. Penalties for offenses.

- A. Administrative sanctions. Any person who violates the provisions of this article, including any provisions of any authorization issued, any condition set or fee required

pursuant to this article, shall be liable to Broome County for a civil penalty of not more than \$1,000 for every such violation. Each consecutive day of the violation shall be considered a separate offense. Such civil penalty may be recovered in any action brought by the County at the request and in the name of the County in any court of competent jurisdiction. Such civil penalty may be released or compromised by action of the County, and any action commenced to recover the same may be settled and discontinued by the County. Any such penalty of the County shall be enforceable in an action brought in any court of competent jurisdiction. Any civil penalty or order issued by the County pursuant to the criteria set forth herein shall be reviewable in a proceeding pursuant to Article 78 of the Civil Practice Laws and Rules of the State of New York.

- B. Criminal sanctions. Any person who violates the provisions of this article, including any provision of any authorization issued, any condition set or fee required pursuant to this article, shall, in addition, for the first offense, be guilty of violation punishable by a fine of not less than \$500, and not more than \$1,000; for a second and each subsequent offense, he/she shall be guilty of a misdemeanor punishable by a fine of not less than \$1,000 and not more than \$2,000, or a term of imprisonment of not less than 30 days or more than six months, or both. Each violation shall be deemed a separate and distinct offense, and in the case of a continuous violation, each day in a continuance thereof shall be deemed a separate and distinct offense.
- C. Final determination; costs. In addition to the foregoing remedies, any person who violates the provisions of this article and is found guilty by a final administrative determination and/or a final adjudicated determination by a court of competent jurisdiction shall be responsible for paying over to and reimbursing the SMO for all qualified costs, penalties and/or fines as may result from, or be imposed by, the Department, the EPA, and/or any other enforcement agency pursuant to the Clean Water Act,⁶ the SPDES regulations and/or any other applicable statutory authority for such violation.

§ 306-17. Injunctive relief.

It shall be unlawful for any person to violate any provision or fail to comply with any of the requirements of this article. If a person has violated or continues to violate the provisions of this article, the SMO may petition for a preliminary or permanent injunction restraining the person from activities which would create further violations or compelling the person to perform abatement and/or remediation of the violation, and/or for such other further relief as any court of competent jurisdiction may order.

§ 306-18. Alternative remedies.

- A. Where a person has been charged with violations of this article, and/or when a person has been determined to have violated a provision of this article, he/she may be eligible for alternative remedies in lieu of a civil and/or criminal penalty, upon written recommendation of the County Attorney, where a written determination is made that:

6. Editor's Note: See 33 U.S.C. § 1251 et seq.

- (1) The violation was unintentional;
 - (2) The violator has no history of previous violations of this article;
 - (3) Environmental damage was minimal;
 - (4) The violator acted quickly to remedy the violation;
 - (5) The violator cooperated in investigation and resolution.
- B. Alternative remedies may consist of one or more of the following:
- (1) Attendance at stormwater management compliance workshops.
 - (2) Storm drain stenciling and/or storm drain marking.
 - (3) Participation in community outreach programs concerning stormwater management such as river, stream or creek cleanup activities.
- C. In the event of noncompliance with the foregoing alternative remedies, the County reserves the right to enforce any and all provisions of this article.

§ 306-19. Remedies not exclusive.

The remedies listed in this article are not exclusive of any other remedies available under any applicable federal, state or local law, and it is within the discretion of the SMO to seek cumulative remedies. Nothing in this article shall be read to preclude the enforcement by Broome County of any other laws as may be applicable to illicit discharges, including, but not limited to, statutory authorization as set forth within the New York State Highway Law, the New York State County Law, and the New York State Health Law.

§ 306-20. Conflict with other regulations.

Where the standards and legal requirements of this article are in conflict with other environmental and/or land use regulations and/or other environmental protective measures, the more restrictive standards and legal requirements shall apply.

§ 306-21. Severability.

If any article, section, subsection, paragraph, phrase or sentence of this article is for any reason held invalid or unconstitutional by any court of competent jurisdiction, that portion shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining portion hereof.

No solid waste generated or produced outside the County of Broome shall be accepted for disposal except upon the prior written approval of the County Executive. Waste accepted for disposal shall be the by-product of activity conducted within Broome County. Hauling by a Broome County permitted hauler for the purposes of disposal does not, in itself, constitute such an activity.

§ 317-3. Trespassing prohibited. [Added 5-20-1993 by L.L. No. 9-1993; amended 3-16-2000 by L.L. No. 6-2000]

§ 317-4. Disposal to be in compliance.

It shall be unlawful to dispose of any solid waste in a County-owned and/or -operated solid waste disposal facility in any manner other than as directed and prescribed by this article.

§ 317-5. Permit required for commercial users; application; fees; issuance; exception for residential users. [Amended 12-5-1989 by L.L. No. 15-1989; 12-28-1989 by L.L. No. 2-1990; 5-20-1993 by L.L. No person, firm or corporation, public or private, engaged in the transporting of solid waste shall be authorized to use any County-owned and/or -operated sanitary landfill site without first obtaining from the County of Broome a permit to use said site for the purpose of disposal of solid waste and paying a fee for such a permit as provided herein. An exception shall be made for residential users. Solid waste from residential users, such as municipal solid waste, construction and demolition debris, tires or oversized items shall be charged separately based on the tipping fees, with no permit required.

- A. Applications for permits shall be upon forms provided by the Division of Solid Waste Management. Each applicant shall state in such application his or her name, address, legal character (corporation, partnership or individual) and such other information as the Director of the Division of Solid Waste Management may require. No collections shall be made in areas outside the County of Broome except upon the prior written approval by the County Executive.
- B. A permit shall not be issued unless the applicant agrees, in writing, to the following hold-harmless clause, which shall be included as a part of the application form: "The permittee shall indemnify and hold harmless Broome County and any of its officers, agents and employees from all claims, demands, causes of action and judgments arising out of injuries to persons and property of whatever kind or nature as a result of the fault or negligence of the permittee, its employees or agents in the permittee's use of a County-owned and/or -operated sanitary landfill."
- C. Permits issued pursuant to this article shall be for a period of one year or less, beginning July 1; subject, however, to the revocation or suspension thereof as provided herein.

D. Fees for permits and permitted vehicles are as set forth in the Schedule of County Fees in Chapter 257, Fees and Charges, Article XIV, for the following.¹

- (1) An annual permitting fee per commercial user plus a charge per vehicle used by the commercial user for the purposes of transporting solid waste to the landfill shall be charged for the permits at the time the application is processed, or it may be billed.
- (2) The initial vehicle fee for any vehicle shall be issued on a prorated basis for the permit year remaining.
- (3) Commercial user scale-house pass will be replaced at a charge for each.

- B. Notice of such determination shall be given to the person liable for the collection and/or payment of the tax. Such determination shall finally and irrevocably fix the tax unless the person against whom it is assessed, within 30 days after giving of notice of such determination, shall apply to the Director of Management and Budget for a hearing, or unless the Director of Management and Budget of his own motion shall redetermine the same. After such hearing, the Director of Management and Budget shall give notice of his determination to the person against whom the tax is assessed. The determination of the Director of Management and Budget shall be reviewable for error, illegality or unconstitutionality or any other reason whatsoever by proceeding under Article 78 of the Civil Practice Law and Rules, if application therefor is made to the Supreme Court within 30 days after the giving of the notice of such determination.

13. Editor's Note: This local law provided an effective date of 1-1-2011.

- C. A proceeding under Article 78 of the Civil Practice Law and Rules shall not be instituted unless the amount of any tax sought to be reviewed, with penalties and interest thereon, if any, shall be first deposited with the Director of Management and Budget and there shall be filed with the Director of Management and Budget an undertaking, issued by a surety company authorized to transact business in this state and approved by the Superintendent of Insurance of this state as to solvency and responsibility, in such amount as a justice of the Supreme Court shall approve, to the effect that if such proceeding is dismissed or the tax is confirmed the petitioner will pay all costs and charges which may accrue in the prosecution of the proceeding; or at the option of the applicant, such undertaking filed with the Director of Management and Budget may be in a sum sufficient to cover the taxes, penalties and interest thereon stated in such determination plus the costs and charges which may accrue against it in the prosecution of the proceeding, in which event the applicant shall not be required to deposit such taxes, penalties and interest as a condition precedent to the application.

§ 330-20. Disposition of revenue. [Amended 8-23-2007 by L.L. No. 7-2007]

Whenever a refund is made by the Director of Management and Budget, he shall state his reason therefor in writing. Such application may be made by the occupant, operator or other person who has actually paid the tax. Such application may also be made by an operator who has collected and paid over such tax to the Director of Management and Budget, provided that the application is made within one year of the payment of the occupant to the operator, but no actual refund of moneys shall be made to such operator until he shall first establish to the satisfaction of the Director of Management and Budget, under such regulations as the Director of Management and Budget may prescribe, that he has repaid to the occupant the amount for which the application for refund is made. The Director of Management and Budget may, in lieu of any refund required to be made, allow credit therefor on payments due from the applicant.

- B. An application for a refund or credit made as herein provided shall be deemed an application for a revision of any tax, penalty or interest complained of, and the Director of Management and Budget may receive evidence with respect thereto. After making his determination, the Director of Management and Budget shall give notice thereof to the applicant, who shall be entitled to review such determination by a proceeding pursuant to Article 78 of the Civil Practice Law and Rules, provided that such proceeding is instituted within 30 days after the giving of notice of such determination, and provided that a final determination of tax due was not previously made. Such a proceeding shall not be instituted unless an undertaking is filed with the Director of Management and Budget in such amount and with such sureties as a Justice of the Supreme Court shall approve, to the effect that, if such proceedings are dismissed or the tax confirmed, the petitioner will pay all costs and charges which may accrue in the prosecution of such proceeding.
- C. A person shall not be entitled to a revision, refund or credit under this section of a tax, interest or penalty which had been determined to be due pursuant to the provisions of § 330-18 of this article where he has had a hearing or an opportunity for a hearing, as provided in said section, or has failed to avail himself of the remedies therein provided. No refund or credit shall be made of a tax, interest or penalty paid after a determination by the Director of Management and Budget after a hearing of his own motion or in a proceeding under Article 78 of the Civil Practice Law and Rules, pursuant to the provisions of said section, in which event refund or credit without interest shall be made of the tax, interest or penalty found to have been overpaid.
- D. A room remarketer shall be allowed a refund or credit against the taxes collected and required to be remitted pursuant to this article in the amount of the tax it paid to the operator of the hotel or another room remarketer under this article; provided, however, that in order to qualify for a refund or credit under this subsection with respect to any quarterly period, as described in this article, the room remarketer must, with respect to such quarter, be registered for hotel room occupancy tax purposes under this article and collect the taxes imposed by this article. Subject to the conditions and limitations of this subsection, the provisions of this article shall apply to refunds of credits under this subsection. **[Added 1-23-2014 by L.L. No. 3-2014]**

§ 330-22. Reserves.

§ 330-24. Proceedings to recover tax. [Amended 8-19-2010 by L.L. No. 8-2010¹⁶]

- A. Whenever any operator or room remarketer or any officer of a corporate operator or any occupant or other person shall fail to collect and pay over any tax and/or to pay any tax, penalty or interest imposed by this article as herein provided, the County Attorney shall, upon the request of the Director of Management and Budget, bring or cause to be brought an action to enforce the payment of the same on behalf of the County of Broome in any court of the State of New York or of any other state of the United States. If, however, the Director of Management and Budget in his discretion believes that any such operator or room remarketer, officer, occupant or other person is about to cease business, leave the state or remove or dissipate the assets out of which the tax or penalties might be satisfied, and that any such tax or penalty will not be paid when due, he may declare such tax or penalty to be immediately due and payable and may issue a warrant immediately. **[Amended 1-23-2014 by L.L. No. 3-2014]**

The Sheriff shall, within five days after the receipt of the warrant, file with the County Clerk a copy thereof, and thereupon such Clerk shall enter in the judgment docket the name of the person mentioned in the warrant and the amount of the tax, penalties and interest for which the warrant is issued and the date when such copy is filed. Thereupon the amount of such warrant so docketed shall become a lien upon the interest in real and personal property of the person against whom the warrant is issued. The Sheriff shall then proceed upon the warrant in the same manner and with like effect as that provided by law in respect to executions issued against property judgments of a court of record, and for services in executing the warrant he shall be entitled to the same fees, which he may collect in the same manner. In the discretion of the Director of Management and Budget, a warrant of like terms, force and effect may be issued and directed to any officer or employee of the Director of Management and Budget, and in the execution thereof such officer or employee shall have all the powers conferred by law upon sheriffs, but shall be entitled to no fee or compensation in excess of the actual

§ 330-31. Definitions.

As used in this article, the following terms shall have the meanings indicated:

ELIGIBLE DELINQUENT TAXES — The delinquent taxes, including interest, penalties and charges, which have accrued against a parcel as of the date on which an installment agreement is executed.

INSTALLMENT AGREEMENT — A written agreement between an eligible owner and the enforcing officer providing for the payment of eligible delinquent taxes in installments pursuant to the provisions of § 1184 of the Real Property Tax Law and this article.

§ 330-32. Installment agreement. [Amended 8-19-2010 by L.L. No. 8-2010²⁰]

The Broome County Director of Real Property Tax Services, the enforcing officer of Broome County, is authorized to enter into an installment agreement providing for the payment of eligible delinquent taxes in installments with property owners. Such installment payment of eligible delinquent taxes shall be made available to each eligible owner on a uniform basis pursuant to the provisions of the New York State Real Property Tax Law and this article. Such installment payments of eligible delinquent taxes shall commence upon the signing of an agreement between the Broome County Real Property Tax Service Agency and the eligible owner. The agreement shall be kept on file in the office of the Broome County Real Property Tax Service Agency, and copies of each agreement shall be provided to the Director of Management and Budget and the Comptroller.

§ 330-33. Term of agreement.

The term of the installment agreement shall be 24 months; the payment schedule shall be monthly, quarterly or semiannually; the required initial down payment shall be 25% of the eligible delinquent taxes; and eligible properties shall include all properties within Broome County.

§ 330-34. Eligibility requirements.

A property owner shall not be eligible to enter into an agreement pursuant to this section where:

- A. There is a delinquent tax lien on the same property for which the application is made or on another property owned by such person and such delinquent tax lien is not eligible to be made part of the agreement pursuant to this section;

²⁰ Editor's Note: This local law provided an effective date of 1-1-2011.

- B. Such person is the owner of another parcel within the tax district on which there is a delinquent tax lien, unless such delinquent tax lien is eligible to be and is made part of the agreement pursuant to this section;
- C. Such person was the owner of property on which there existed a delinquent tax lien and which lien was foreclosed within three years of the date on which an application is made to execute an agreement pursuant to this section; or
- D. Such person defaulted on an agreement executed pursuant to this section within three years of the date on which an application is made to execute an agreement pursuant to this section.²²

§ 330-35. When eligible.

A property owner shall be eligible to enter into an agreement pursuant to this section no earlier than 30 days after the delivery of the return of unpaid taxes to the enforcing officer.

§ 330-36. Payment.

The amount due under an installment agreement shall be the eligible delinquent taxes plus the interest that is to accrue on each installment payment up to and including the date on which each payment is to be made. The agreement shall provide that the amount due shall be paid, as nearly as possible, in equal amounts on each payment due date. Each installment payment shall be due on the last day of the month in which it is to be paid.

§ 330-37. Interest and penalties.

Interest on the total amount of eligible delinquent taxes, less the amount of the down payment made by the eligible owner, if any is required, shall be that amount as determined pursuant to New York State Real Property Tax Law § 924-a. The rate of interest in effect on the date the agreement is signed shall remain constant during the period of the agreement. If an installment is not paid on or before the date it is due, interest shall be added at the rate prescribed by New York State Real Property Tax Law § 924-a for each month or portion thereof until paid. In addition, if any installment is not paid by the end of the 15th calendar day after the payment due date, a late charge of 5% of the overdue payment shall be added.

- A. The eligible owners shall be deemed to be in default of the agreement upon:
 - (1) Nonpayment of any installment within 30 days from the payment due date;
 - (2) Nonpayment of any tax, special ad valorem levy or special assessment which is levied subsequent to the signing of the agreement by the tax district and which is not paid prior to the expiration of the warrant of the collecting officer; or

²² Editor's Note: Added at time of adoption of Charter and Code (see Ch. 1, General Provisions, Art. I).

- (3) Default of the eligible owner on another agreement made and executed pursuant to this section.
- B. In the event of a default, the County shall have the right to require the entire unpaid balance, with interest and late charges, to be paid in full. The County shall also have the right to enforce the collection of the delinquent tax lien pursuant to the applicable sections of law, special tax act, Charter or local law.
- C. Where an eligible owner is in default and the County does not either require the eligible owner to pay in full the balance of the delinquent taxes or elect to institute foreclosure proceedings, the County shall not be deemed to have waived the right to do so.

§ 330-39. Notification of potential eligible owners.

- A. Within 45 days after receiving the return of unpaid taxes from the collecting officer, the enforcing officer shall notify, by first class mail, all potential eligible owners of their possible eligibility to make installment payments on such tax delinquencies. The enforcing officer shall add \$1 to the amount of the tax lien for such mailing.
- B. The failure to mail any such notice, or the failure of the addressee to receive the same, shall not in any way affect the validity of taxes or interest prescribed by law with respect thereto.
- C. The enforcing officer shall not be required to notify the eligible owner when an installment is due.

§ 330-40. Lien.

The provisions of this section shall not affect the tax lien against the property, except that the lien shall be reduced by the payments made under an installment agreement and that the lien shall not be foreclosed during the period of installment payments, provided that such installment payments are not in default.

§ 330-41. Redemption period.

- A. With respect to taxes becoming liens during 1995, the redemption period for all property shall be four years after the lien date.

§ 330-44. Imposition of tax.

There is hereby imposed in Broome County a tax on each conveyance of real property or interest therein when the consideration exceeds \$500, at the rate of \$0.50 for each \$500 or fractional part thereof. Such tax shall apply to any conveyance occurring on or after October 1, 1994, but shall not apply to conveyances made on or after such date pursuant to binding written contracts entered into prior to such date, provided that the date of execution of such contract is confirmed by independent evidence such as the recording of the contract, payment of a deposit or other facts and circumstances as determined by the Treasurer.

§ 330-45. Payment of tax.

- A. The real estate transfer tax imposed pursuant to this article shall be paid to the Treasurer or the recording officer acting as the agent of the Treasurer upon designation as such agent by the Treasurer. Such tax shall be paid at the same time as the real estate transfer tax imposed by Article 31 of the Tax Law is required to be paid. Such Treasurer or recording officer shall endorse upon each deed or instrument effecting a conveyance a receipt for the amount of the tax so paid.
- B. A return shall be required to be filed with such Treasurer or recording officer for purposes of the real estate transfer tax imposed pursuant to this article at the same time

as a return is required to be filed for purposes of the real estate transfer tax imposed by Article 31 of the Tax Law. The return, for purposes of the real estate transfer tax imposed pursuant to this article, shall be a photocopy or carbon copy of the real estate transfer tax return required to be filed pursuant to § 1409 of the Tax Law. However, when an apportionment is required to be made pursuant to § 1449-r of the Tax Law, a supplemental form shall also be required to be filed. The real estate transfer tax returns and supplemental forms required to be filed pursuant to this section shall be preserved for three years and thereafter until such Treasurer or recording officer orders them to be destroyed.

- C. The recording officer shall not record an instrument effecting a conveyance unless the return required by this section has been filed and the tax imposed pursuant to this article shall have been paid as provided in this section.

§ 330-46. Liability for tax.

- A. The real estate transfer tax shall be paid by the grantor. If the grantor has failed to pay the tax imposed pursuant to this article or if the grantor is exempt from such tax, the grantee shall have the duty to pay the tax. Where the grantee has the duty to pay the tax because the grantor has failed to pay, such tax shall be the joint and several liability of the grantor and the grantee.
- B. For the purpose of the proper administration of this article and to prevent evasion of the tax hereby authorized, it shall be presumed that all conveyances are taxable. Where the consideration includes property other than money, it shall be presumed that the consideration is the fair market value of the real property or interest therein. These presumptions shall prevail until the contrary is proven, and the burden of proving the contrary shall be on the person liable for payment of the tax.

§ 330-47. Exemptions.

- A. Exemption for government agencies.
 - (1) The following shall be exempt from payment of the real estate transfer tax:
 - (a) The State of New York or any of its agencies, instrumentalities, political subdivisions or public corporations (including a public corporation created pursuant to agreement or compact with another state or the Dominion of Canada).
 - (b) The United Nations, the United States of America and any of its agencies and instrumentalities.
 - (2) The exemption of such governmental bodies or persons shall not, however, relieve a grantee from them of liability for the tax.
- B. The tax shall not apply to any of the following conveyances:

- (1) Conveyances to the United Nations, the United States of America, the State of New York or any of their instrumentalities, agencies or political subdivisions (or any public corporation, including a public corporation created pursuant to agreement or compact with another state or the Dominion of Canada).
- (2) Conveyances which are or were used to secure a debt or other obligation.
- (3) Conveyances which, without additional consideration, confirm, correct, modify or supplement a prior conveyance.
- (4) Conveyances of real property without consideration and otherwise than in connection with a sale, including conveyances conveying realty as bona fide gifts.
- (5) Conveyances given in connection with a tax sale.
- (6) Conveyances to effectuate a mere change of identity or form of ownership or organization where there is no change in beneficial ownership, other than conveyances to a cooperative housing corporation of the real property comprising the cooperative dwelling or dwellings.
- (7) Conveyances which consist of a deed of partition.
- (8) Conveyances given pursuant to the Federal Bankruptcy Act.
- (9) Conveyances of real property which consist of the execution of a contract to sell real property without the use or occupancy of such property or the granting of an option to purchase real property without the use or occupancy of such property.
- (10) Conveyances of an option or contract to purchase real property with the use or occupancy of such property where the consideration is less than \$200,000 and such property was used solely by the grantor as his personal residence and consists of a one-, two- or three-family house, an individual residential condominium unit or the sale of stock in a cooperative housing corporation in connection with the grant or transfer of a proprietary leasehold covering an individual residential cooperative unit.

§ 330-48. Credit.

A grantor shall be allowed a credit against the tax due on a conveyance of real property to the extent tax was paid by such grantor on a prior creation of a leasehold of all or a portion of the same real property or on the granting of an option or contract to purchase all or a portion of the same real property by such grantor. Such credit shall be computed by multiplying the tax paid on the creation of the leasehold or on the granting of the option or contract by a fraction, the numerator of which is the value of the consideration used to compute such tax paid which is not yet due to such grantor on the date of the subsequent conveyance (and which such grantor will not be entitled to receive after such date) and the denominator of which is the total value of the consideration used to compute such tax paid.

§ 330-49. Cooperative housing corporation transfers.

- A. Notwithstanding the definition of "controlling interest" contained in § 330-43 or anything to the contrary contained in the definition of "conveyance" in § 330-43, the tax imposed pursuant to this article shall apply to:
- (1) The original conveyance of shares of stock in a cooperative housing corporation in connection with the grant or transfer of a proprietary leasehold by the cooperative corporation or cooperative plan sponsor.
 - (2) The subsequent conveyance of such stock in a cooperative housing corporation in connection with the grant or transfer of a proprietary leasehold by the owner thereof. With respect to any such subsequent conveyance where the property is an individual residential unit, the consideration for the interest conveyed shall exclude the value of any liens on certificates of stock or other evidences of an ownership interest in and a proprietary lease from a corporation or partnership formed for the purpose of cooperative ownership of residential interest in real estate remaining thereon at the time of conveyance. In determining the tax on a conveyance described in Subsection A(1), a credit shall be allowed for a proportionate part of the amount of any tax paid upon the conveyance to the cooperative housing corporation of the real property comprising the cooperative dwelling or dwellings to the extent that such conveyance effectuated a mere change of identity or form of ownership of such property and not a change in the beneficial ownership of such property. The amount of the credit shall be determined by multiplying the amount of tax paid upon the conveyance to the cooperative housing corporation by a percentage representing the extent to which such conveyance effectuated a mere change of identity or form of ownership and not a change in the beneficial ownership of such property, and then multiplying the resulting product by a fraction, the numerator of which shall be the number of shares of stock conveyed in a transaction described in Subsection A(1) and the denominator of which shall be the total number of shares of stock of the cooperative housing corporation (including any stock held by the corporation). In no event, however, shall such credit reduce the tax on a conveyance described in Subsection A(1) below zero, nor shall any such credit be allowed for a tax paid more than 24 months prior to the date on which occurs the first in a series of conveyances of shares of stock in an offering of cooperative housing corporation shares described in Subsection A(1).
- B. Every cooperative housing corporation shall be required to file an information return with the Treasurer by July 15 of each year covering the preceding period of January 1 through June 30 and by January 15 of each year covering the preceding period of July 1 through December 31. The return shall contain such information regarding the conveyance of shares of stock in the cooperative housing corporation as the Treasurer may deem necessary, including, but not limited to, the names, addresses and employee identification numbers or social security numbers of the grantor and the grantee, the number of shares conveyed, the date of the conveyance and the consideration paid for such conveyance.

§ 330-50. Designation of agents.

The Treasurer is authorized to designate the recording officer to act as its agent for purposes of collecting the tax authorized by this article. The Treasurer shall provide for the manner in which such person may be designated as its agent subject to such terms and conditions as it shall prescribe. The real estate transfer tax shall be paid to such agent as provided in § 330-45.

§ 330-51. Liability of recording officer.

A recording officer shall not be liable for any inaccuracy in the amount of tax imposed pursuant to this article that he shall collect so long as he shall compute and collect such tax on the amount of consideration or the value of the interest conveyed as such amounts are provided to him or her by the person paying the tax.

§ 330-52. Refunds.

Whenever the Treasurer shall determine that any moneys received under the provisions of this article were paid in error, it may cause such moneys to be refunded pursuant to such rules and regulations it may prescribe, provided that any application for such refund is filed with the Treasurer within two years from the date the erroneous payment was made.

§ 330-53. Deposit and disposition of revenue. [Amended 8-19-2010 by L.L. No. 8-2010²⁵]

- A. All taxes collected or received by the Treasurer or his duly authorized agent under the provision of this article shall be paid over on or before the 10th day of each succeeding month to the Director of Management and Budget and shall be deposited into the general fund of the County of Broome and shall only be appropriated by the County Legislature to fund veterans' services programs within Broome County.
- B. The Director of Management and Budget shall maintain a system of accounts showing the revenue collected or received from the tax imposed pursuant to this article.

§ 330-54. Judicial review.

- A. Any final determination of the amount of any tax payable under § 330-45 of this article shall be reviewable for error, illegality or unconstitutionality or any other reason whatsoever by a proceeding under Article 78 of the Civil Practice Law and Rules if application therefor is made to the Supreme Court within four months after the giving of the notice of such final determination; provided, however, that any such proceeding under Article 78 of the Civil Practice Law and Rules shall not be instituted unless:
 - (1) The amount of any tax sought to be reviewed, with such interest and penalties thereon as may be provided for by local law, shall be first deposited and there is filed an undertaking, issued by a surety company authorized to transact business in

25. Editor's Note: This local law provided an effective date of 1-1-2011.

this state and approved by the Superintendent of Insurance of this state as to solvency and responsibility, in such amount as a justice of the Supreme Court shall approve, to the effect that, if such proceeding shall be dismissed or the tax confirmed, the petitioner will pay all costs and charges which may accrue in the prosecution of such proceeding; or

- (2) At the option of the petitioner, such undertaking may be a sum sufficient to cover the taxes, interest and penalties stated in such determination, plus the costs and charges which may accrue against it in the prosecution of the proceeding, in which event the petitioner shall not be required to pay such taxes, interest or penalties as a condition precedent to the application.
- B. Where any tax imposed hereunder shall have been erroneously, illegally or unconstitutionally assessed or collected and application for the refund or revision thereof duly made to the Treasurer, and such Treasurer shall have made a determination denying such refund or revision, such determination shall be reviewable by a proceeding under Article 78 of the Civil Practice Law and Rules; provided, however, that:
- (1) Such proceeding is instituted within four months after the giving of the notice of such denial;
 - (2) A final determination of tax due was not previously made; and
 - (3) An undertaking is filed with the Treasurer in such amount and with such sureties as a justice of the Supreme Court shall approve, to the effect that, if such proceeding be dismissed or the tax confirmed, the petitioner will pay all costs and charges which may accrue in the prosecution of such proceeding.

§ 330-55. Apportionment.

- A. Where real property is situated partly within and partly without the boundaries of the County of Broome, the consideration subject to tax is such part of the total consideration as is attributable to the portion of such real property situated within the County of Broome or to the interest in such portion. If the consideration attributable to the property located in the County of Broome is set forth in the contract, such amount may be used to compute the tax due.
- B. If the contract does not set forth the amount of consideration attributable to the portion of real property or interest therein situated within the County of Broome, the consideration must be reasonably allocated between the portion of such property or interest therein situated within the County of Broome and the portion of such property or interest therein situated without the County of Broome.
- (1) If the grantor and the grantee enter into a written agreement, signed by both the grantor and the grantee, which sets forth a reasonable allocation of consideration, that allocation of consideration may be used to compute the tax due.
 - (2) If the grantor and the grantee do not enter into such an agreement or if the allocation of consideration set forth in such agreement is deemed unreasonable by the Treasurer, the allocation of consideration must be computed by multiplying the

amount of consideration by a fraction, the numerator of which is the fair market value of the real property or interest therein situated within the County of Broome and the denominator of which is the total fair market value of all the real property or interest therein being conveyed. Except in the case of a transfer or acquisition of a controlling interest where consideration means fair market value of the real property or interest therein, the tax is computed on the allocated portion of the actual consideration paid even if that amount is greater or less than the fair market value as determined by appraisal.

- C. Where the methods provided under this section do not allocate the consideration in a fair and equitable manner, the Treasurer may require a grantor and grantee to allocate the consideration under such method as it prescribes, as long as the prescribed method results in a fair and equitable allocation.

§ 330-56. Determination of tax.

- A. If a return required by this article is not filed or if a return when filed is incorrect or insufficient, the amount of tax due shall be determined by the Treasurer from such records or information as may be obtainable, including the assessed valuation of the real property or interest therein and other appropriate factors. Notice of such determination shall be given to the person liable for the payment of the tax. Such determination shall finally and irrevocably fix the tax unless the person against whom it is assessed, within 90 days after the giving of notice of such determination, shall petition the County Executive for a hearing or unless the Treasurer, on the Treasurer's own motion, shall redetermine the same. The County Executive may designate, in writing, a hearing officer to hear the appeal and file a written report and recommendation to the County Executive. In any case before the County Executive under this article, the burden of proof shall be on the petitioner. After such hearing, the County Executive shall give notice of the determination to the person against whom the tax is assessed and the Treasurer. Such determination may be reviewed in accordance with the provisions of § 330-54 of this article. A proceeding for judicial review shall not be instituted unless:
- (1) The amount of any tax sought to be reviewed, with penalties and interest thereon, if any, shall be first deposited with the Treasurer, and there shall be filed with the Treasurer an undertaking, issued by a surety company authorized to transact business in this state and approved by the Superintendent of Insurance of this state as to solvency and responsibility, in such amount and with such sureties as a justice of the Supreme Court shall approve, to the effect that, if such proceeding shall be dismissed or the tax confirmed, the petitioner will pay all costs and charges which may accrue in the prosecution of the proceeding; or
 - (2) At the option of the petitioner, such undertaking filed with the Treasurer may be in a sum sufficient to cover the taxes, penalties and interest thereon stated in such decision, plus the costs and charges which may accrue against him in the prosecution of the proceeding; in which event, the petitioner shall not be required to deposit such taxes, penalties and interest as a condition precedent to the commencement of the proceeding.

- B. A person liable for the tax imposed by this article (whether or not a determination assessing a tax pursuant to Subsection A of this section has been issued) shall be entitled to have a tax due finally and irrevocably fixed prior to the ninety-day period referred to in Subsection A of this section by filing with the Treasurer a signed statement in writing in such form as the Treasurer shall prescribe consenting thereto.

§ 330-57. Remedies exclusive.

The remedies provided by §§ 330-52 and 330-56 of this article shall be the exclusive remedies available to any person for the review of tax liability imposed by this article. No determination or proposed determination to tax or determination on any application for refund shall be enjoined or reviewed by any action for declaratory judgment, an action for money had and received, or by any action or proceeding other than a proceeding under Article 78 of the Civil Practice Law and Rules.

§ 330-58. Proceedings to recover tax.

- A. Whenever any person shall fail to pay any tax, penalty or interest imposed by this article, the County Attorney shall, upon the request of the Treasurer, bring or cause to be brought an action to enforce the payment of the same on behalf of the County of Broome in any court of the State of New York or of any other state or of the United States.
- B. As an additional or alternate remedy, the Treasurer may issue a warrant, directed to the Sheriff of Broome County, commanding him to levy upon and sell the real and personal property of any grantor or grantee liable for the tax which may be found within the County for payment of the amount thereof, with any penalty and interest and the cost of executing the warrant, and to return such warrant to the Treasurer and to pay the Treasurer the money collected by virtue thereof within 60 days after the receipt of such warrant. The Sheriff shall, within five days after the receipt of the warrant, file with the Clerk a copy thereof, and thereupon such Clerk shall enter in the judgment docket the name of the person mentioned in the warrant and the amount of the tax, penalty and interest for which the warrant is issued. Such lien shall not apply to personal property unless such warrant is filed in the Department of State. The Sheriff shall then proceed upon the warrant in the same manner and with like effect as that provided by law in respect to executions issued against property upon judgments of a court of record, and for services in executing the warrant, he shall be entitled to the same fees, which he may collect in the same manner. In the discretion of the Treasurer, a warrant of like terms, force and effect may be issued and directed to any officer or employee of the County, and in the execution thereof, such officer or employee shall have all the powers conferred by law upon sheriffs but shall be entitled to no fee or compensation in excess of the actual expenses paid in the performance of such duty. Upon such filing of a copy of a warrant, the Treasurer shall have the same remedies to enforce the amount due thereunder as if the County had recovered the judgment therefor.

§ 330-59. Powers and duties of Treasurer.

The Treasurer shall have the power to:

- A. Administer and enforce the tax imposed by this article, and the Treasurer is authorized to make such rules and regulations and to require such facts and information to be reported as the Treasurer may deem necessary to enforce the provisions of this article.
- B. For the purposes of ascertaining the correctness of any return or for the purpose of making an estimate of tax of any person, examine or to cause to have examined, by any agent or representative designated by the Treasurer for that purpose, any books, papers, records or memoranda related to the matters required to be included in the return and may require the attendance of the person rendering the return or any officer or employee of such person or the attendance of any other person having knowledge of the matters included in the return and may take testimony and require proof material for its information, with the power to administer oaths to such person or persons.
- C. Extend, for cause shown, the time of filing any return for a period not exceeding three months.
- D. Prescribe the methods for determining the consideration and net consideration attributable to that portion of real property located partly within and partly without the County of Broome which is located within the County of Broome or any interest therein.
- E. Require any grantor or grantee to keep such records, for such length of time as may be required for the proper administration of this article, and to furnish such records to the Commissioner of Taxation and Finance upon request.
- F. On the Treasurer's own motion, to abate any small unpaid balance of an assessment of the tax to be levied hereunder or any liability in respect thereof if the Treasurer determines under rules prescribed by the Treasurer that the administration and collection costs involved would not warrant collection of the amount due. The Treasurer may also abate, on the Treasurer's own motion, the unpaid portion of the assessment of any tax or any liability in respect thereof which is excessive in amount or is assessed after the expiration of the period of limitation properly applicable thereto or is erroneously or illegally assessed. No claim for abatement under this subsection shall be filed by a taxpayer.

§ 330-60. Interest and civil penalties.

- A. Any grantor or grantee failing to file a return or to pay any tax within the time required by this article shall be subject to a penalty of 10% of the amount of tax due plus an interest penalty of 2% of such amount for each month of delay or fraction thereof after the expiration of the first month after such return was required to be filed or such tax became due; such interest penalty shall not exceed 25% in the aggregate. If the Treasurer determines that such failure or delay was due to reasonable cause and not due to willful neglect, the Treasurer shall remit, abate or waive all of such penalty and such interest penalty.
- B. If any amount of tax is not paid on or before the last date prescribed in § 330-45 for payment, interest on such amount at the rate of 10% shall be paid for the period from such last date to the date paid.

- C. The penalties and interest provided for in this section shall be paid to the Treasurer and shall be determined, assessed, collected and distributed in the same manner as the tax imposed by this article, and any reference to tax in this article shall be deemed to refer to the penalties and interest imposed in this section.

§ 330-61. Returns to be confidential; penalties for offenses.

- A. Except in accordance with proper judicial order or as otherwise provided by law, it shall be unlawful for the Treasurer or any officer or employee of the County of Broome or any person engaged or retained by such County on an independent-contract basis to divulge or make known in any manner the particulars set forth or disclosed in any return required under this article. However, nothing in this section shall prohibit the recording officer from making a notation on an instrument effecting a conveyance indicating the amount of tax paid. No recorded instrument effecting a conveyance shall be considered a return for purposes of this section.
- B. The officers charged with the custody of such returns shall not be required to produce any of them or evidence of anything contained in them in any action or proceeding in any court, except on behalf of the County in any action or proceeding involving the collection of a tax due under this article to which such County or an officer or employee of such County is a party or a claimant or on behalf of any party to any action or proceeding under the provisions of this article when the returns or facts shown thereby are directly involved in such action or proceeding; in any of which events, the Court may require the production of and may admit in evidence so much of said returns or of the facts shown thereby as are pertinent to the action or proceeding and no more.
- C. Nothing herein shall be construed to prohibit the delivery to a grantor or grantee of an instrument effecting a conveyance or the duly authorized representative of a grantor or grantee of a certified copy of any return filed in connection with such instrument or to prohibit the publication of statistics so classified as to prevent the identification of particular returns and the items thereof or the inspection by the legal representatives of such County of the return of any taxpayer who shall bring action to set aside or review the tax based thereon.
- D. Any officer or employee of such County who willfully violates the provisions of this section shall be dismissed from office and be incapable of holding any public office in this state for a period of five years thereafter.

ARTICLE VI

Recording Tax

[Adopted 7-21-1994 by L.L. No. 10-1994 (Ch. 185, Art. VIII, of the 1991 Code)]

§ 330-62. Imposition of tax.

There shall be imposed in Broome County a tax of \$0.25 for each \$100 and each remaining major fraction thereof of principal debt or obligation which is or under any contingency may be secured at the date of execution thereof or at any time thereafter by a mortgage on real property situated within such County and recorded on or after September 1, 1994, and a tax of

\$0.25 on such mortgage if the principal debt or obligation which is or by any contingency may be secured by such mortgage is less than \$100.

§ 330-63. Payment of tax; receipt issued. ²⁶

The tax imposed by this article shall be payable upon the recording of each mortgage of real property subject to taxes thereunder. Such tax shall be paid to the recording officer of the County in which the real property or any part thereof is situated; except, where real property is situated within and without the County, the recording officer of the county in which the mortgage is first recorded shall collect the tax imposed by this article, as required by Subdivision 2 of § 253-e of the Tax Law. It shall be the duty of such recording officer to endorse upon each mortgage a receipt for the amount of the tax so paid. Any mortgage so endorsed may thereupon or thereafter be recorded by any recording officer, and the receipt for such tax endorsed upon each mortgage shall be recorded therewith. The record of such receipt shall be conclusive proof that the amount of tax stated therein has been paid upon such mortgage.

§ 330-64. Applicability.

The taxes imposed under the authority of this article shall be administered and collected in the same manner as the taxes imposed under Subdivision 1 of § 253 and Subdivision 1(b) of § 255 of the Tax Law. Except as otherwise provided in this article, all the provisions of the Tax Law relating to or applicable to the administration and collection of the taxes imposed by such subdivisions shall apply to the taxes imposed under the authority of this article, with such modifications as may be necessary to adapt such language to the tax so authorized. Such provisions shall apply with the same force and effect as if those provisions had been set forth in full in this article, except to the extent that any provision is either inconsistent with a provision of this article or not relevant to the tax authorized by this article. For purposes of this article, any reference in the Tax Law to the tax or taxes imposed by the Tax Law shall be deemed to refer to a tax imposed pursuant to this article, and any reference to the phrase "within this state" shall be read as "within Broome County," unless a different meaning is clearly required.

§ 330-65. Rate determined by location.

Where the real property covered by the mortgage subject to the tax imposed pursuant to the authority of this article is situated in this state but within and without Broome County, the amount of such tax due and payable to Broome County shall be determined in a manner similar to that prescribed in the first paragraph of § 260 of the Tax Law, which concerns real property situated in two or more counties. Where such property is situated both within Broome County and without the state, the amount due and payable to Broome County shall be determined in the manner prescribed in the second paragraph of such § 260, which concerns property situated within and without Broome County; the recording officer of the jurisdiction

in which the mortgage is first recorded shall be required to collect the taxes imposed pursuant to this article.

§ 330-66. Tax to be additional.

A tax imposed pursuant to this article shall be in addition to the taxes imposed by § 253 of the Tax Law.

§ 330-67. Taxes apportioned; deposited; appropriated. [Amended 8-19-2010 by L.L. No. 8-2010²⁷]

The balance of all moneys paid to the recording officer of Broome County during each month on account of the tax imposed pursuant to this article, after deducting the necessary expenses of his office as provided in § 262 of the Tax Law, except taxes paid upon mortgages which under the provisions of this article or § 260 of the Tax Law are first to be apportioned by the Commissioner of Taxation and Finance, shall be paid over by such officer on or before the 10th day of each succeeding month to the Director of Management and Budget of Broome County and, after the deduction by such Director of Management and Budget of the necessary expenses of his or her office as provided in § 262 of the Tax Law, shall be deposited in the general fund of the County of Broome and shall only be appropriated by the County Legislature of the County of Broome to fund the Office for Aging of Broome County. Notwithstanding the provisions of the preceding sentence, the tax so imposed and paid upon mortgages covering real property situated in two or more counties which under the provisions of this article or § 260 of the Tax Law are first to be apportioned by the Commissioner of Taxation and Finance shall be paid over by the recording officer receiving the same as provided by the determination of said Commissioner of Taxation and Finance.

ARTICLE VII

exhaustion or wear and tear of real or personal property held for the production of income.

- B. - C. Unless the real property is the legal residence of and is occupied in whole or in part by the disabled person; except where the disabled person is absent from the residence while receiving health-related care as an inpatient of a residential health-care facility, as defined in § 2801 of the Public Health Law, provided that any income accruing to that person shall be considered income for purposes of this section only to the extent that it exceeds the amount paid by such person or spouse or sibling of such person for care in the facility.

- B. That proportion of the assessment of such real property owned by a cooperative apartment corporation determined by the relationship of such real property vested in such tenant-stockholder to such entire parcel and the buildings thereon owned by such cooperative apartment corporation in which such tenant-stockholder resides shall be subject to exemption from taxation pursuant to this section, and any exemption so granted shall be credited by the appropriate taxing authority against the assessed valuation of such real property; the reduction in real property taxes realized thereby shall be credited by the cooperative apartment corporation against the amount of such taxes otherwise payable by or chargeable to such tenant-stockholder.

Upon making a determination to revoke or suspend a license, the Director shall notify the license holder and any owner or operator by which said licensee is employed of such decision, in writing, to the last address set forth in the County's records and shall state the reasons for such decision in such notice and afford the license holder an opportunity to be heard at an administrative hearing. Any such suspension shall be noted, together with a statement of the reason therefor. The license shall be returned to the Director as the license is property of the County. The license shall be returned to the license holder at the expiration of the period for which it was suspended. A license holder having a license reissued after a suspension shall be subject to a reissuing fee.

- E. Notwithstanding the above, the Director may temporarily suspend a license pending the outcome of the prosecution of the licensee under this chapter or under any other provision of any applicable law, code, rule or regulation when in the interest of the health, welfare, and safety of the public. The Director shall notify the licensee and any owner or operator by which said licensee is employed of such decision and shall state the reasons therefor and the length of the suspension. Such suspension shall not exceed 10 days without a licensee being afforded an opportunity to be heard.

taxicab. Such sticker shall be affixed to a location at the discretion of the Director. Each taxi company shall be assigned a unique number, and each vehicle operated by each such company shall be assigned a unique number with said company.

- C. The acceptance by an owner or operator of a license issued under this chapter is conditioned upon and shall be sufficient evidence of the continuing consent of such owner or operator and of the driver of each and every taxicab vehicle to display the public notice as required by and described in § 336-17 of this chapter and to consent to any such stop and visual inspection by any law enforcement agency within the County.

§ 336-17. Taxicab vehicle license card.

If upon inspection a vehicle is found to be in proper condition and in compliance in accordance with the provisions of all applicable laws, rules and regulations and, upon the approval of the application for a taxicab vehicle license and the payment of the license fee hereinafter set forth, such vehicle shall be licensed by delivering to the owner a card of such size and form as may be prescribed by the Director. The card shall contain the official license number of the taxicab vehicle, vehicle identification number, the name, address and phone number of the owner of the vehicle and a statement to the effect that, in case of any complaints, the Director shall be notified, giving the license number of the taxicab and the

Reports of all inspections shall be filed with the Director. Failure to comply with inspection requirements or notifications shall result in a suspension or revoking of the taxicab vehicle license. Each inspection shall be accompanied by a fee.
- D. A copy of the inspection report shall be given to the vehicle owner and/or operator and/or driver and the Director at the completion of the inspection.
- E. The inspection of the taxi shall include, but not be limited to, a review of the following and shall also include an inspection of those items listed in § 336-19 of this chapter and those items required by the New York State Department of Motor Vehicles:

The taxicab vehicle license shall be temporarily suspended until the repair work is complete. Failure to make such necessary repairs and to present satisfactory proof within five business days shall result in the taxicab's vehicle license being revoked. Taxicabs that do not have the required repair work completed within five business days of the initial inspection shall be subject to a reinspection fee. Taxicabs that schedule an inspection appointment and are not present at the time of the appointment shall be charged the inspection fee.

School Bus Photo Violation Monitoring System Demonstration Program

[Adopted 10-17-2019 by L.L. No. 9-2019¹]

§ 337-1. Program established.

- A. There is hereby established a demonstration program imposing monetary liability on owners of vehicles for failure of the operators thereof to comply with § 1174 of the New York Vehicle and Traffic Law when meeting a school bus marked and equipped as provided in Subdivisions 20 and 21-c of § 375 of the New York Vehicle and Traffic Law in Broome County.
- B. Under such demonstration program, the County is empowered to install and operate school bus photo violation monitoring systems which may be stationary or mobile and which may be installed, pursuant to an agreement with, a school district within the County, on school buses owned and operated by such school district; provided, however, that:
- (1) No stationary school bus photo violation monitoring system shall be installed or operated by the County, except on roadways under the jurisdiction of the County; and
 - (2) No mobile school bus photo violation monitoring system shall be installed or operated on any such school buses unless the County and such district enter into an agreement for such installation and operation.
- C. To carry out the demonstration program, the County is authorized to enter into agreements with school districts for the installation, maintenance and use of school bus photo violation monitoring systems, for the proper handling and custody of photographs, microphotographs, videotapes, other recorded images and data produced by such systems, and for the forwarding of such photographs, microphotographs,

1. Editor's Note: This local law also provided that it shall remain in full force and effect only until 12-1-2024.

videotapes, other recorded images and data to the County subject to the provisions of this section and § 1174-a of the New York Vehicle and Traffic Law and approval of the County Legislature; provided, however, that the County shall not enter into an agreement with any city school district wholly contained within a city.

- D. Nothing in this article shall be construed to prevent the County or school district at any time from withdrawing from or terminating an agreement for the installation, maintenance and use of school bus photo violation monitoring systems; provided, however, that the County or the school district shall provide no less than 20 days' notice to other signatories of such agreements before withdrawing.
- E. The total cost to the school district of the installation, maintenance and use of school bus photo violation monitoring systems pursuant to an agreement authorized by this article shall be borne entirely by the County. On or before September 1 of each year, the school district shall determine and certify to the County the total cost to the school district for the school year ending the preceding June 30 of installing, maintaining and using such systems within the County, for the proper handling and custody of photographs, microphotographs, videotapes, other recorded images and data produced by such systems, and for the forwarding of such photographs, microphotographs, videotapes, other recorded images and data to the County. On or before the following December 1 of each year, the County shall pay to the school district such cost so certified to it on or before the preceding September 1. Not later than 20 days after each such payment is submitted or is due, whichever occurs first, the school district shall submit to the County Director of the Office of Management and Budget and the chairperson of the Finance Committee of the Legislature a report showing the amount of costs so certified and the amount of payments so received or due. If the County fails to make the payment required to the school district by the 20th day after the date such payment was due, i) the school district shall notify the County Director of the Office of Management and Budget and the chairperson of the Finance Committee of the Legislature of such occurrence within 24 hours of such day; and ii) the demonstration program shall be suspended within the County until such time as the County makes the payment required to the school district. The school district shall notify the County Director of the Office of Management and Budget and the chairperson of the Finance Committee of the Legislature of such payment within seven business days of its receipt; provided, however, that any notice of liability issued prior to such date shall not be voided.
- F. The contract between the County and the school district shall provide that any images or images captured by school bus photo violation monitoring systems shall be inadmissible in any disciplinary proceeding convened by such school district or any school bus contractor thereof and any proceeding initiated by the New York State Department of Transportation involving licensure privileges of school bus operators. Any school bus photo violation monitoring device mounted on a school bus shall be directed outwardly from such school bus to capture images of vehicles operated in violation of § 1174 of the New York Vehicle and Traffic Law and images produced by such device shall not be used for any other purpose.
- G. Any school district participating in the demonstration program shall be prohibited from accessing any photographs, microphotographs, videotapes, other recorded images and data from school bus photo violation monitoring systems, but shall provide, pursuant to

the agreement with the County, as provided in this article, for the proper handling and custody of such photographs, microphotographs, videotapes, other recorded images and data produced by such systems, and for the forwarding of such photographs, microphotographs, videotapes, other recorded images and data to the County for the purpose of determining whether a motor vehicle was operated in violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law and imposing monetary liability on the owner of such motor vehicle therefor.

- H. The agreement between the County and the school district shall provide that photographs, microphotographs, videotapes, other recorded images and data produced by school bus photo violation monitoring systems shall be destroyed a) 90 days after the date of the alleged imposition of liability if a notice of liability is not issued for such alleged imposition of liability pursuant to this article or b) upon final disposition of a notice of liability issued pursuant to this article.
- I. The County shall adopt and enforce measures to protect the privacy of drivers, passengers, pedestrians and cyclists whose identity and identifying information may be captured by a school bus photo monitoring device. Such measures shall include:
- (1) Utilization of necessary technologies to ensure, to the extent practicable, that photographs produced by such school photo violation monitoring systems shall not include images that identify the driver, the passengers, the contents of the vehicle, pedestrians and cyclists; provided, however, that no notice of liability issued pursuant to this section shall be dismissed solely because a photograph or photographs allow for the identification of the contents of a vehicle, provided that the County has made a reasonable effort to comply with the provisions of this paragraph; subsection;
 - (2) A prohibition of the use or dissemination of vehicles' license plate information and other information and images captured by school bus photo violation monitoring systems except: a) as required to establish liability under this section or collect payment of penalties; b) as required by court order; or c) as otherwise required by law;
 - (3) The installation of signage in conformance with standards established in the MUTCD at each roadway entrance of the jurisdictional boundaries of the County giving notice that school bus photo violation monitoring systems are used to enforce restrictions on vehicles violating § 1174 of the New York Vehicle and Traffic Law. For the purposes of this subsection, the term "roadway" shall not include state expressway routes or state interstate routes but shall include controlled-access highway exit ramps that enter the boundaries of the County; and
 - (4) Oversight procedures to ensure compliance with the aforementioned privacy protection measures.

§ 337-2. Definitions.

For the purposes of this article, the following terms shall have the following meanings:

COUNTY — The County of Broome.

MANUAL ON UNIFORM TRAFFIC CONTROL DEVICES or MUTCD — The manual and specifications for a uniform system of traffic control devices maintained by the commissioner of transportation pursuant to § 680 of the New York Vehicle and Traffic Law.

SCHOOL BUS PHOTO VIOLATION MONITORING SYSTEM — A device that is capable of operating independently of an enforcement officer which is installed to work in conjunction with a school bus stop-arm and which automatically produces two or more photographs, two or more microphotographs, a videotape or other recorded images of a vehicle at the time it is used or operated in violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law.

§ 337-3. Penalties for offenses.

An owner liable for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this article shall be liable for monetary penalties in accordance with the following schedule of fines and penalties.

- A. For a first violation: \$250;
- B. For a second violation committed within 18 months of the first violation: \$275;
- C. For a third or subsequent violation, all of which were committed within 18 months from the first violation: \$300; and
- D. An additional penalty of \$25 for each violation for the failure to respond to a notice of liability within the prescribed time period.

§ 337-4. Notice of liability.

- A. A notice of liability shall be sent by first-class mail to each person alleged to be liable as an owner for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law. Personal delivery on the owner shall not be required. A manual or automatic record of mailing prepared in the ordinary course of business shall be prima facie evidence of the facts contained therein.
- B. A notice of liability shall contain the name and address of the person alleged to be liable as an owner for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law, the registration number of the vehicle involved in such violation, the location where such violation took place, the date and time of such violation and the identification number of the camera which recorded the violation or other document locator number.
- C. A notice of liability shall contain information advising the person charged of the manner and the time in which he or she may contest the liability alleged in the notice. Such notice of liability shall also contain a warning to advise the persons charged that failure to contest in the manner and time provided shall be deemed an admission of liability and that a default judgment may be entered thereon.

§ 337-5. Owner liability.

- A. The demonstration program established hereunder shall provide that the owner of a vehicle shall be liable for a penalty imposed pursuant to this article if such vehicle was used or operated with the permission of the owner, express or implied, in violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law and such violation is evidenced by information obtained from a school bus photo violation monitoring system; provided, however, that no owner of a vehicle shall be liable for a penalty imposed by Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law where the operator of such vehicle has been convicted of the underlying violation of Subdivision (a) of § 1174 of the Vehicle and Traffic Law. For purposes of this subsection, there shall be a presumption that such vehicle was used and operated with the consent of the owner at the time it was used and operated in violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law.
- B. If an owner receives a notice of liability pursuant to this article for any time period during which the vehicle was reported to the police as having been stolen, it shall be a valid defense to an allegation of liability for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this article that the vehicle had been reported to the police as stolen prior to the time the violation occurred and had not been recovered by such time. For purposes of asserting the defense provided by this subsection, it shall be sufficient that a certified copy of the police report be submitted to the court having jurisdiction.
- C. An owner who is a lessor of a vehicle to which a notice of liability was issued pursuant to this article shall not be liable for the violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law, provided that he or she sends to the court of competent jurisdiction a copy of the rental, lease or other such contract document covering such vehicle on the date of the violation, with the name and address of the lessee clearly legible, within 37 days after receiving notice from the agency of the date and time of such violation, together with the other information contained in the original notice of liability. Failure to send such information within such thirty-seven-day time period shall render the owner liable for the penalty prescribed by this article. Where the lessor complies with the provisions of this subsection, the lessee of such vehicle, for purposes of this section, shall be deemed to be the owner of such vehicle on the date of such violation, shall be subject to liability for the violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this article and shall be sent a notice of liability pursuant to § 337-4 of this article.
- D. A certificate, sworn to or affirmed by a technician employed by the County, or a facsimile thereof, based upon inspection of photographs, microphotographs, videotapes, other recorded images produced by a school bus photo violation monitoring system, shall be prima facie evidence of the facts contained therein. Any photographs, microphotographs, videotapes, other recorded images evidencing such a violation shall be available for inspection in any proceeding to adjudicate the liability for such violation.
- E. It shall be a defense to any prosecution for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this article that such school bus stop-arms were malfunctioning at the time of the alleged violation.

- F. For the purpose of informing and educating owners of motor vehicles in this County during the first thirty-day period in which a school bus photo violation monitoring system is in operation pursuant to the provisions of this article, all owners of motor vehicles who would otherwise be held liable for failure of operators thereof to comply with § 1174 of the New York Vehicle and Traffic Law when meeting a school bus marked and equipped, as provided in Subdivisions 20 through 21-c of § 375 of such law, shall be issued a written warning in lieu of a notice of liability.

§ 337-6. Adjudication of liability.

Liability pursuant to the demonstration program established hereunder shall be imposed upon owners by the court of competent jurisdiction in Broome County.

§ 337-7. Action for indemnification.

If the owner held liable for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this article was not the operator of the vehicle at the time of the violation, the owner may maintain an action for indemnification against the operator.

§ 337-8. Annual report.

- A. The County shall submit an annual report on the results of the use of a school bus photo violation monitoring system to the governor, the temporary president of the Senate and the speaker of the Assembly on or before June 1 of each year in which the demonstration program is operable. Such report shall include, but not be limited to:
- (1) The number of buses and a description of the routes where stationary and mobile school bus photo violation monitoring systems were used;

- (7) The number of fines and total amount of fines paid after the first notice of liability issued for violations recorded by such systems;
 - (8) The number of violations adjudicated and results of such adjudications, including breakdowns of dispositions made for violations recorded by such systems;

§ 341-1. Policy intent.

The intent of this procedure is to provide for the prompt and safe removal of vehicles to prevent traffic hazards or secondary accidents as a result of such vehicles being on or at the shoulder of public roadways. This policy shall not supersede any specific orders issued by the Broome County Sheriff through special or general orders of the Broome County Sheriff addressing specific situations, such as vehicles impounded for criminal investigative purposes.

§ 341-2. County towing list.

There shall hereby be established a County towing list. The list shall contain the names and phone numbers of towers with businesses with offices in Broome County and surrounding areas which are able to respond to calls within Broome County and who additionally meet all other requirements set forth below. All towers wishing to be placed on the list shall file a permit application with the Broome County Office of the Sheriff.

§ 341-3. Priority of calls.

Due to the need for prompt removal of vehicles when a police request is made for a tower, all such requests shall be directed by the dispatcher to the towing list. The order of names on the list shall be on a rotating basis.

§ 341-4. Permit applications and additional eligibility requirements.

- A. In order to be placed on the towing list, a prospective tower must file a permit application with the Broome County Office of the Sheriff. The application shall require the following information:
- (1) The name of the owner of the business. If a partnership, corporation or other business association is involved, the names and addresses of the partners, officers

or principals shall be listed on the application. All addresses of persons involved shall be home addresses.

- (2) The name, address, and day and night phone numbers of the business.

In the event that such insurance is cancelled, terminated, modified or not renewed, such that such insurance is no longer in effect as required herein, applicants' permit shall be revoked. This permit will be renewable every two years. No subcontracting is permitted.
- (2) Any person who has obtained a towing permit pursuant to this chapter shall be responsible for the conduct of himself/herself and the person's agents, servants and employees. The owner and operator of a towing company shall comply with all provisions of federal, state and local laws and ordinances relating to the conduct of the towing business and the use and maintenance of the towing company premises, and the owner and operator of a towing company shall comply with all the notices, orders, decisions and rules and regulations made by the Sheriff over the occupation.
- (3) The towing firm must have full control over all towing equipment and must supply the Broome County Sheriff with a list of all equipment at its disposal, including truck weights, capacities, length of cable, make, year, registration and license plate numbers. Included in towing equipment must be at least one conventional tow truck with dollies and/or a wheel-lift; one rollback or one large-capacity tow truck with a rating of at least 20 tons. Warning equipment is required on all vehicles and must be in good working condition. All towing companies shall maintain all licenses and/or registrations required by the New York State Vehicle and Traffic Law, and all equipment utilized shall comply with said law and all applicable rules and regulations of the Commissioner of Motor Vehicles and all regulations and requirements set forth by the Sheriff. The equipment shall be in good operating condition, and all towing company personnel shall be properly trained and fully competent to perform their specific functions and shall so perform those functions in a courteous and orderly manner.
- (4) The towing firm must provide a twenty-four-hour service, accept all calls given to it by the Sheriff (staffing permitting) and maintain a response time of 20 minutes or less. Towing firms with answering services are required to provide immediate responses as to their ability to answer a call; "call backs" or referrals to alternate numbers are prohibited.

- (5) The towing firm must supply the Sheriff with a photostatic copy of the driver's license of each employee who operates its equipment; also, any certificates of training that the operators may have.
- (6) The towing firm shall not tow vehicles outside of the County unless directed to by the owner or the Sheriff.
- (7) The towing firm shall provide a storage lot which is lighted, secured, and insured to store towed vehicles. Towing firms must provide access to their storage lots to the Broome County Sheriff so that officers will have the opportunity to complete their investigations. All lots will be within County limits.
- (8) All vehicles must have a broom and shovel as cleaning equipment for debris, and all towing firms shall be required to remove all debris related to the incident to which they are called, in accordance with New York State Vehicle and Traffic Law § 1219(c).
- (9) The Broome County Sheriff reserves the right to inspect an applicant's equipment for the sole and exclusive purpose of ascertaining that the applicant is in possession of the equipment specified and described herein as well as other equipment which may be required.
- (10) Any information submitted to Broome County shall be deemed accurate. Towing firms filing permit applications represent that the towing equipment specified therein is in good working order and warrant that the same is fit for its intended purpose. The towing firm understands and acknowledges that the Broome County Sheriff relies upon the towing firms' representations and warranties in issuing permits. Accordingly, by executing a permit application, and in consideration of the issuance of a permit, the towing firm agrees to defend, indemnify and save harmless Broome County and its agents and employees of and from any liability arising from the towing firm's breach of its representations and warranties and any liability arising from the negligence or other culpable conduct of the towing firm, its agents, or employees.
- (11) The Broome County Sheriff may require such additional information as may be necessary in order to enforce this chapter and to ensure the safety of all persons.

§ 341-5. Penalties for offenses.

- A. The Sheriff may deny a permit or placement on the list to any applicant who does not comply with the provisions of this chapter or who makes a material misrepresentation on a permit application. The Sheriff shall give written notification to an applicant of the reasons for the denial, and any applicant who is denied a permit or placement on the list may, within 10 days from the date of denial, request a hearing before the Sheriff. Hearings will be conducted in the same manner as specified in Subsection B below.
- B. Violations of any portion of this chapter may result in suspension from the towing list following a Sheriff's investigation. Continued or severe violations may result in a permanent ban of a particular towing firm from the towing list. A towing firm against whom

penalties (suspension or revocation) are proposed shall have written notice thereof and the reasons therefor and shall be furnished a copy of the charges preferred against it. Any suspension or revocation may be appealed by filing a written notice of appeal with the Sheriff within 10 days of the date of the notice of suspension or revocation. Upon receipt of the notice of appeal, the matter will be scheduled for a hearing that shall be conducted within 10 business days of the receipt of the notice of appeal. The towing firm against whom charges are preferred shall be entitled to be represented by counsel, to summon witnesses on its behalf, and to cross-examine those witnesses who testify against it. Compliance with technical rules of evidence shall not be required. The Sheriff or his or her designee shall conduct the hearing and make his or her determination within 10 business days of the hearing.

§ 341-6. Information to vehicle owner.

- A. Each towing firm on the list must supply the owner/operator of a vehicle who is at the scene with a card containing his/her business name, address, phone numbers, hours of operation, and summary of the expected charges. The summary must detail at least the anticipated towing charge (including tow, mileage, winch and road service fees), cleanup charge (if any), and the daily storage fee(s). A towing company, upon request of a vehicle owner paying to retrieve a towed vehicle, shall deliver a receipt to such person at the time of payment. Such receipt shall contain at least the following information:
- (1) The name, business address, and telephone number of the towing company.
 - (2) The date the vehicle was towed and the date of the retrieval by the vehicle owner.
 - (3) The license plate number and vehicle make of the vehicle towed.
 - (4) The starting and ending location of the tow and the amount of miles towed.
 - (5) An itemization of all fees charged, including towing, storage and any other charges.
- B. A towing company shall maintain accurate records concerning all vehicles towed, which shall contain at least the information required above, and such records shall be retained for at least three years after a towed vehicle has been retrieved.
- C. All towing and storage fees must be reasonable, based upon local customs and common procedures. A towing company must be open to allow the retrieval of towed vehicles between 9:00 a.m. and 5:00 p.m. daily or whenever such company provides towing services, whichever time period is greater. After a towed vehicle has remained in the tower's possession for a period of 30 days, the tower is required to notify the owner of the vehicle: 1) that the vehicle remains in storage and that storage fees continue to accrue; 2) the daily storage fees and the amount currently owing in storage fees; and 3) the times that the vehicle may be retrieved. The tower is required to update the owner of the stored vehicle with this information every 30 days.

§ 341-7. Owner's preference.

Nothing within this chapter shall prevent a vehicle owner from choosing to call a tower who is not on the County towing list; provided, however, that should the tower be unable to respond in what the officer at the scene feels is a reasonable period of time and the officer at the scene has safety concerns regarding the vehicle's location, the officer may supersede the desires of the owner and call a tower based upon the list.

§ 341-8. Documentation of requirements.

Following the establishment of the initial towing list, the County will update the list, based upon any new applications, on a semiannual basis. In order to maintain accurate records and accountability to the citizens, should information provided in a permit application change, the towing firm must report such change to the office of the Sheriff within 72 hours by calling 778-2492, 8:00 a.m. to 4:30 p.m., Monday through Friday.
