Shopper Bus Policy

Office for Aging Shopping Trips

OFA Shopper Bus trips are group trips offered specifically for residents of various senior housing buildings. These trips provide transportation to and from local grocery stores on certain days of the week. On these trips, passengers must adhere to the following rules:

- Grocery items must be limited to three paper or six plastic bags. Shoppers are encouraged to bring fabric bags with handles to carry their groceries.
- Purchases of one case of water bottles or one case of soda would take the place of one paper bag or two plastic bags.
- The items must be stored on the passenger's lap or on the floor between their feet and cannot obstruct the aisle. This will ensure that if there is a sudden stop, the items will stay in place.
- Carts are allowed; however, they must fit between the passenger and the seat in front of them with the groceries inside and cannot obstruct the aisle.
