Media Release

On March 30, 2021 Deputies responded to an address on Ridge Road in the Town of Colesville to locate Hugh Murphy who had active arrest warrants for Criminal Mischief and Petit Larceny. Deputies located Murphy and took him into custody without incident. Murphy was transported to the Sheriff's Office for arrest processing and released on appearance tickets directed to appear in the Town of Colesville Court at a later date. The charges stem from an incident earlier this year where Murphy drove a 2014 Komatsu excavator, owned by the Town of Colesville, from a construction site near his residence without permission nor having a legitimate reason to do so and caused damage to the excavator resulting in \$7,000.00 in repairs.
